

NURSING HOMES SUPPORT SCHEME PAYSリップ

Nursing Home Support

The Revenue Commissioners are the payment collection agent for the Health Service Executive (HSE) of charges incurred by way of Ancillary State Support provided for in the Nursing Homes Support Scheme Act 2009.

Method of Payment

The payment must be made by cheque and made payable to the Collector-General and forwarded to:

Collector-General,
Sarsfield House,
Francis Street,
Limerick.

This payslip must be submitted with the cheque. If the designated "Nursing Homes Support Scheme" payslip is not submitted then a delay in the processing of the payment will occur. The delay may result in the unnecessary issue of payment demands. Late payment attracts interest (from the date the repayable amount becomes due) that will have to be paid by the Accountable Person.

Accountable Person

This is the person determined by the HSE as being responsible for discharging the amount due in respect of Nursing Home financial support provided to the Care Recipient.

Care Recipient

This is the person in respect of whom financial support under the scheme was provided.
