

2007 Tax Return - Helpsheet - Form 11E

What is Form 11E?

The Form 11E is the shorter of the two Income Tax Return forms for self-assessed individuals. It is an extract of the main personal tax Return (Form 11).

Can I use the Form 11E?

The Form 11E is not suitable for individuals with a turnover of €1,000,000 or greater. Those individuals will have to either file online via the Revenue On-Line Service (ROS) or complete a paper Form 11. In addition, those who:

- have three or more trades, are claiming tax relief in respect of a Property Based Incentive Scheme in 2007,
- have information to declare in respect of Share Options,
- opened a Foreign Bank Account, were issued with a Foreign Life Policy, or acquired an interest in an Offshore Fund, in 2007,
- disposed of Foreign Life Policies or Offshore Funds,
- are affected by the Limitation on the use of Reliefs by High-Income Individuals,

must file online via ROS or complete a Form 11.

Items omitted from this form, which are in the Form 11, are listed on page 4 of this Helpsheet. If you have anything to declare in relation to those items you can enter the required information in the space provided at Panel O of the Form 11E.

You can obtain a Form 11 from Revenue's website www.revenue.ie, from Revenue's Forms and Leaflets Service at LoCall 1890 306 706 or from any Revenue office. LoCall rates - note that the rates charged for the use of 1890 (LoCall) numbers may vary among different service providers.

Can I file this Return On-Line?

An alternative way to completing the Return is to file your Return electronically through the **Revenue On-Line Service (ROS)**. The ROS Form 11 contains the panels appropriate to you as an individual who should use Form 11E. You will only need to open and complete the panels relevant to your needs. ROS will provide you with an instant calculation of your tax liability, letting you know how much to pay on 31 October 2008. You can access ROS through Revenue's website www.revenue.ie

Where can I get further help?

In addition to the following notes a larger and more detailed publication - "Guide to Completing 2007 Pay and File Returns" is available on www.revenue.ie, from Revenue's Forms & Leaflets Service at LoCall 1890 306 706 or from any Revenue office.

Pay and File

Under Pay and File you must file your 2007 Tax Return and pay your liabilities on or before 31 October 2008. On that date you must also pay any balance of Income Tax due for 2007. The onus is on you to calculate your own tax liabilities. However, if you file your Return on or before 31 August we will issue you with a final notice of assessment to enable you to know the income tax you have to pay on 31 October.

If you file after 31 August we cannot guarantee to provide you with a final assessment before 31 October and you may have to do your own calculations.

Where this Return is submitted after 31 October 2008 a surcharge (5% where the Return is submitted within two months, otherwise 10%) may be added to your tax liability.

Sign and Date the Return

Before submitting your Return, be sure to sign and date the Declaration on the front page of the Return. If you are filing the Return as an executor, guardian or administrator, or as an authorised agent, state the capacity in which you are signing the Return and for whom you are acting.

Attachments and Business Accounts

You should not submit any correspondence or documentation with your Return, except where expressly asked to do so; for example, where you have a genuine doubt about any item in the Return you should note Line 20 on page 2 of the Return and enclose a letter setting out the point at issue. Supporting documentation, including business accounts, must however be retained for six years as it may be requested by Revenue for the purposes of an assurance check or an audit.

Remember:

- you must prepare business accounts but you should not submit them with your 2007 Return. Instead, you are required to complete Extracts From Accounts on pages 4 and 5 of the Return.
- do not submit lists or schedules with the Return. The totals should be entered on the Return.
- do not enter terms such as 'per attached', 'as before', etc. You must instead enter the requested information.

Incomplete Returns will be sent back to you for proper completion, and you may incur a surcharge if the corrected Return is submitted late.

Married Couples

Married couples are obliged to submit only one Income Tax Return showing the income and capital gains of both spouses unless they have made a formal election to have their tax affairs dealt with separately.

The following short notes will assist you in completing the various Panels on the Return. If you require more detailed notes you can check the more comprehensive *Guide to Completing 2007 Pay and File Returns*.

The alphabetical references below correspond with the relevant Panels on the Return while the numerical references on the left also correspond with the line number on the Return.

A - Personal Details

- 1 This question must be completed in all cases
- 2 This section should be completed **only** where your marital status at Line 1 changed during 2007.
- 5 & 7 It is important that you complete 'Date of Birth' boxes as certain age related exemptions, reliefs and allowances such as RACs, PRSAs and certain tax credits such as Age tax credit may be due.
- 6 Complete Line 6 if you were married before 1/1/2007.
- 7 If married, enter your spouse's PPS number and Date of Birth. If your spouse has no PPS number enter your spouse's pre-marriage Surname, First name(s) and Date of Birth.
- 8 "Permanently Incapacitated" means incapacitated by reason of mental or physical infirmity from maintaining oneself.
- 10 Individuals issued with a 'full' Medical Card by the Health Service Executive are exempt from the Health Contribution. Individuals issued with 'doctor only' Medical Cards (GP visit cards) by the Health Service Executive are liable for the Health Contribution.

B - Income From Trades, Professions or Vocations

The Return caters for two trades, a primary trade and a subsidiary trade. If between you and your spouse you have more than two trades, you must file online via ROS or complete Form 11.

- 104-105 This is the amount on which you are assessed for tax. You are assessable on the adjusted net profit for the accounting period ending in the year 2007 - e.g. if accounts are normally prepared for a period ending on 30 June, then the assessable profits for 2007 will be the profits of the year ended 30 June 2007. If the amount assessable is different to the profits for the year as entered at Line 104, e.g. at commencement, cessation, etc. enter the assessable amount at Line 105, otherwise leave Line 105 blank.
If a loss is made, the amount of the adjusted net loss should be entered at Line 104(b).
- 118 **Review of Income Tax Year 2006:** Complete this section if you have changed your accounting date or ceased to trade in 2007 **and** a review of 2006 is required. In both cases you must review the profits of 2006. In either event, if the revised profits are greater than those originally assessed then that assessment must be amended.
- 119 If your accounting period ends on a date other than 31 December, credit for withholding tax is given by reference to the withholding tax deducted during the accounting period (i.e. the basis period for 2007). Do not include Relevant Contracts Tax or any other type of taxes at Line 119.
- 120-155 It is important to note that the Extracts From Accounts pages are **not** a tax adjustment computation/calculation. When completing these Extracts you may have nothing to enter under some headings, as the section may not apply to you. You must, however, complete each section that is relevant and for which you have an entry in your accounts.

C - Irish Rental Income

202 Compliance with the registration requirements of the Residential Tenancies Act 2004.

Entitlement to a deduction for interest paid on borrowed money employed in the purchase, improvement, or repair of a rented residential property is conditional on compliance with the registration requirements of the Residential Tenancies Act 2004. Any queries on the registration requirements/process should be addressed to the Private Residential Tenancies Board, www.prtb.ie or telephone +353 1 6350600.

205-210 Where there is more than one let property separate computations of rental income for each property should be prepared and retained by you. Do not include any income exempt under the Rent-a-Room scheme entered at Line 415(a). Where a claw-back of 'Section 23' Relief arises, the claw-back will be the full 'Section 23' Relief granted and should be included at Line 205.

D - Income From Irish Employments, Offices, Pensions, Directorships, etc.

217 Un-reimbursed expenses incurred wholly, exclusively and necessarily in the performance of the duties of an office/employment may be entered at Line 217. AVC payment(s) made to an occupational pension scheme but not through a net pay arrangement should be included at Line 217. If you or your spouse availed of the Government Incentive for SSIA holders to invest some or all of your SSIA proceeds into a pension product, do not include any of those amounts at Line 217.

218 Most taxable benefits are now taxed at source; however, benefits received as payments to PRSAs and Shares received free of charge or at a discounted price are not and, as such, any taxable benefits from these sources should be entered in your Return.

219 Enter the amount received, after relevant exemptions, of payments such as Illness Benefit, Jobseekers Benefit, etc.

226 PAYE Tax deducted/refunded:

(a) Enter the total of tax deducted under PAYE as noted on Form(s) P60 and/or Form(s) P45.

(b) Enter the total amount of PAYE tax refunded by Revenue, if any, for 2007, e.g. PAYE tax refunded on submission of Form Med 1, a refund in respect of an unemployment repayment claim, a refund in respect of qualifying Tuition Fees, etc.

(c) Enter the amount of tax underpaid in a previous year(s), if any, and coded for collection by reducing your tax credits during the year 2007.

E - Foreign Income

If you have Foreign Income sources other than those shown you should file online via ROS or complete Form 11.

F - Income from Distributions, etc.

403(c) **Special Share Account(s)/Special Term Share Account(s)/Special Savings Account(s):** Do not enter any amount here **unless** you or your spouse are entitled to claim a refund of DIRT. If the account is a Special Term Share Account, you should only enter the amount, at Line 403(c), which has been subject to DIRT, i.e. the amount **after** the relevant exemptions.

404 Include scrip dividends received from quoted resident companies.

G - Exempt Income

415 Where you are availing of Rent-a-Room Relief state the gross Rental Income received in 2007 for room(s) in a "Qualifying Residence".

416 Where the gross annual income from the provision of Childcare Services does not exceed €15,000, the income is exempt from tax. The care must be provided in the carer's home and for no more than three children at any one time. The carer must retain evidence that she/he has notified the appropriate person, recognised for that purpose by the Health Service Executive, that she/he is providing these services. The election to have this income exempt from income tax must be made on or before the 31 October 2008.

H - Annual Payments, Charges and Interest Paid

504 Maintenance payments here refers to payments made by a separated/divorced person for the benefit of a spouse under a legally enforceable arrangement, i.e. Deed of Separation/Rule of Court, etc.

505 Unrestricted tax relief can be claimed on covenants in favour of permanently incapacitated adults. Tax relief can be claimed on covenants in favour of adults aged 65 or over subject to a 5% restriction, (i.e. the amount of tax relief available on one or more covenants cannot exceed 5% of the covenantor's total income).

511 Tax relief for interest paid on a loan secured on an individual's main residence is given at source by the bank, building society, etc. You should not include this relief, known as Tax Relief at Source (TRS), in this Return. However, for other main residence loans (if any) which are not secured on the property ('unsecured loans') you can claim for relief here, subject to certain restrictions and upper limits. You will need to check these restrictions and upper limits and only enter the amount of relief to which you are allowed (i.e. "relievable interest paid"). All such loans, whether paid under TRS or otherwise, must be used for the purchase, repair, development or improvement of your main residence.

I - Claim For Tax Credits, Allowances, Reliefs and Health Expenses

514 Home Carer tax credit is a max of €770. This amount is reduced by one half of the amount of home carer's income that exceeds €5,080. Accordingly, no credit is due if the home carer's income exceeds €6,620.

If the tax credit was granted in 2006 and in 2007 the home carer's income exceeds the €6,620 threshold, relief may still be due.

515 A PAYE tax credit may be claimed by employees and non-proprietary directors who pay tax under the PAYE system. In addition, individuals in receipt of an Irish social welfare pension, a social security pension received from another EU Member State by an Irish resident, and, Irish residents who work abroad and pay tax under a PAYE type system, qualify for the PAYE tax credit.

517 No relief is due where the relative's income exceeded €12,745 in 2007 or if another person is claiming this tax credit in full.

518 If you, your spouse or a relative were permanently incapacitated by reason of mental or physical infirmity and you employed a carer, state the amount paid for employing the carer in 2007.

522 Qualifying Tuition Fees paid in the academic year 2007 to Approved Colleges for Approved Courses or Approved Training Courses. The 2007 academic year is the year of study commencing on or after 1 August 2007.

532 Enter the details requested if you are claiming a Rent Tax Credit in respect of rent paid for private rented accommodation.

534-535 Only complete these lines where, in 2007, the donor was a chargeable person (Sec. 950 TCA 1997).

552 Deduct sums received/receivable, such as amounts reclaimed from your local Health Office in relation to Prescribed Drugs/Medicines, under a health insurance policy from an authorised medical insurer and/or under the terms of a compensation claim, etc.

K - Request For Short Notice of Assessment for 2007

Only complete this panel if you require a short notice of assessment.

L - Capital Gains – Capital Gains for the year 1 January 2007 – 31 December 2007

If you disposed of chargeable assets during 2007 give the required details in Panel L. Notwithstanding that the Capital Gains Tax due on gains made on these disposals should already have been paid, you must complete this section of the Return.
