

2023 Tax Return - Helpsheet - Form 11S

General Information

What is Form 11S?

This 2023 Form 11S is the shorter Income Tax Return form for self-assessed individuals. It is based on the main personal Tax Return (Form 11). You have received this form as, based on your past circumstances, Revenue decided it is the most suitable return form that allows you to meet your tax obligations.

However, if you are not resident in Ireland, if you had additional sources of income in the year or you are claiming additional reliefs, allowances or tax credits, this form may not be suitable and you will have to complete the Form 11 available on www.revenue.ie or from Revenue's Forms & Leaflets Service by phoning +353 1 738 3675

I am not liable to Income Tax - Why did I get a 2023 Form 11S?

You may have a letter from Revenue stating you did not need to make a return of income in previous years unless asked to do so by your Revenue office. You are now being asked to return and complete this 2023 Form 11S. While your circumstances or income might not have changed, to such an extent that you are liable to Income Tax, you must complete the attached 2023 Form 11S. Completion of this Form 11S has important implications for your PRSI contributions, especially if you currently pay PRSI directly to the Department of Social Protection under that Department's special PRSI scheme for the self-employed.

Can I file this Return Online?

An alternative way to completing this paper return is to file your return electronically through the **Revenue Online Service (ROS)**. The ROS Form 11 contains the panels appropriate to an individual who would use a Form 11S. You will only need to open and complete the panels relevant to your needs. ROS will provide you with an instant calculation of your tax liability, letting you know how much to pay on 31 October 2024. You can access ROS through www.revenue.ie.

Why aren't the line numbers always sequential in my Form 11S?

This is deliberate. Lines omitted from the 2023 Form 11S appear in the 2023 Form 11.

Local Property Tax Return

Failure to meet your LPT obligations to file and pay will result in a surcharge. Therefore, the amount payable in your Self-Assessment should be increased by 10%. Where the LPT is subsequently brought up to date, the amount of the surcharge will be capped at the amount of the LPT liability involved. For assistance, you may wish to call the LPT Branch on +353 1 738 3626.

Bank Details

The bank details that you supply will only be used to make a repayment of tax due to you. No withdrawal will be made from this account by Revenue **unless** requested by you on the Single Debit Authority section of the accompanying payslip. If you are paying your tax liability by Single Debit Authority you must enter the relevant bank details on the payslip, even if you have already entered these details.

Expression Of Doubt

The 2023 return provides a facility for a taxpayer to include an expression of doubt under Section 959P TCA 1997.

It is to indicate to Revenue a genuine doubt about the application of law or the treatment for tax purposes, of any matter contained in the return. You must have consulted all relevant Revenue leaflets and guidelines published on our website with a view to establishing the correct treatment of the point at issue.

Additional information can be found at Part 41A.03.00 of the Income Tax, Capital Gains Tax and Corporation Tax Manual. This manual is available on www.revenue.ie>Tax Professionals>Tax and Duty Manuals>Income Tax Capital Gains Tax Corporation Tax>Part 41A.

The Expression of Doubt box is not for general comments and should be used only for the intended purpose.

A PERSONAL DETAILS

2 This question must be completed in all cases.

3 This section should be completed only where your personal civil status at **Line 2** changed during 2023.

4 Complete **Line 4** if you were married or in a civil partnership before 1 January 2023.

5 These questions must always be completed where your basis of assessment at Line 4 above is Joint Assessment. (Note: Failure to complete this section may result in a delay in processing your Return.)

8 It is important that you complete 'Date of Birth' boxes as certain age related exemptions, reliefs and allowances such as RACs, PRSAs and certain tax credits such as Age tax credit may be due.

10 'Permanently Incapacitated' means incapacitated by reason of mental or physical infirmity from maintaining oneself.

B SELF-EMPLOYED INCOME

108 The net profit (adjusted for any non-allowable add backs) for your accounting period ending in the year 2023 is normally the assessable profit. However in some circumstances, e.g. where your trade commences or ceases in 2023 the assessable profit is the profit for the calendar year 2023.

109 The **Start Your Own Business** scheme provides for relief from Income Tax for long term unemployed individuals who start a new business. The scheme will provide an exemption from Income Tax up to a maximum of €40,000 per annum for a period of 24 months to individuals who set up a qualifying business; having been unemployed for a period of at least 12 months prior to starting the business. **The Start Your Own Business relief only applies to Income Tax; it does not extend to USC and PRSI. USC and PRSI will be payable on any profits earned in the new business.**

121 If your accounting period ends on a date other than 31 December, credit for withholding tax is given by reference to the withholding tax deducted during the accounting period (i.e. the basis period for 2023). Do not include Relevant Contracts Tax or any other type of taxes at **Line 121**.

C IRISH RENTAL INCOME

Information on rents received and expenses incurred is captured under two separate headings.

- Residential property
- Commercial property, land and all other sources of Irish rental income.

204-215 Where there is more than one let property, separate computations of rental income for each property should be prepared and retained by you. Do not include income exempt under the Rent-a-Room scheme, entered at **Line 415(a)**. Where a claw-back of 'Section 23' Relief arises, the claw-back will be the full 'Section 23' Relief granted and should be included as 'Gross Rent Receivable' at **Line 204**.

D PAYE / BIK / PENSIONS (1)

In this section you return all of your income that has been subject to PAYE.

220 Pay in respect of employment, for example, gross pay less any superannuation contributions allowable for income tax purposes, should be entered at **Line 220**.

221 You must select one of the categories listed ((a), (g), (h), (i) or (j)). It is important to select the correct source of Income, as this will impact on what reliefs you can claim elsewhere in the return.

232 PAYE tax underpaid refers to any amount of tax underpaid for earlier year(s) that has resulted in your tax credits for 2023 being reduced. This information can be obtained from your Tax Credit Certificate. Enter the amount at **Line 232**.

238(b) Expenses claimed here must have been wholly, exclusively and necessarily incurred in the performance of your duties. If, for example, you use your car you may be entitled to claim for running costs. The amount of expenses allowed cannot exceed PAYE income.

241 Carer's Allowance should be entered at **Line 241**.

243 All other taxable social welfare payments should be added together and returned as a single figure at **Line 243**. Social Welfare pensions include a basic amount plus an increase where the claimant has an adult dependant.

Enter the total amount (basic amount plus adult dependant increase):

- In the 'Self' column where your spouse or civil partner is the dependant; in this case you are due the PAYE credit.
- In the 'Spouse or Civil Partner' column where you are the dependant; in this case your spouse or civil partner is due the PAYE credit.

If you make your own self-assessment, you must, in addition to signing the declaration on page 1 of the form, sign the declaration in the self-assessment panel. If you do not sign this declaration you will not have made a self-assessment.

- 936(c)(iii)** The amount of any refund of tax withheld at source (e.g. interim refund of PSWT) should be entered here.
- 936(d)&(e)** This is the amount of tax payable, adjusted for any refund or offset of tax withheld at source already made by Revenue.
- 936(f)** If you file this return after the 31 October 2024 you must include a late filing surcharge with your self-assessment. This surcharge is 5% of your tax liability where the return is submitted within two months, otherwise it is 10%. The surcharge is calculated on the amount of tax payable above.
- 936(g)** Failure to meet your LPT obligations to file and pay will result in a surcharge.
- 936(h)(i)** In general, this is the amount of preliminary tax paid for 2023.
- 936(i)(i)&(ii)** Enter any balance of tax payable / overpaid for this period in the appropriate field.

Remember: You do not have to complete the self-assessment panel if you submit this return to Revenue on or before 31 August 2024. If you do not submit the Form 11S by that date, you may be liable to a penalty of €250 if you do not complete the self-assessment section in that form.
