**AGREEMENT ON THE TAXATION OF SAVINGS INCOME BETWEEN
THE UNITED KINGDOM OVERSEAS TERRITORY OF MONTserrat
AND IRELAND**

WHEREAS:

1. Article 17 of Directive 2003/48/EEC (“the Directive”) of the Council of the European Union (“the Council”) on taxation of savings income provides that before 1 January 2004 Member States shall adopt and publish the laws, regulations and administrative provisions necessary to comply with this Directive which provisions shall be applied from 1 January 2005 provided that –
 - “(i) the Swiss Confederation, the Principality of Liechtenstein, the Republic of San Marino, the Principality of Monaco and the Principality of Andorra apply from that same date measures equivalent to those contained in this Directive, in accordance with agreements entered into by them with the European Community, following unanimous decisions of the Council;
 - (ii) all agreements or other arrangements are in place, which provide that all the relevant dependent or associated territories apply from that same date automatic exchange of information in the same manner as is provided for in Chapter II of this Directive, (or, during the transitional period defined in Article 10, apply a withholding tax on the same terms as are contained in Articles 11 and 12)”.
2. The relationship of Montserrat with the EU is set out in part 4 of the Treaty Establishing the European Community. Under the terms of the Treaty, Montserrat is not within the EU fiscal territory.
3. Montserrat notes that, while it is the ultimate aim of the EU Member States to bring about effective taxation of interest payments in the beneficial owner’s Member State of residence for tax purposes through the exchange of information concerning interest payments between themselves, three Member States, namely

Austria, Belgium and Luxembourg, during a transitional period, shall not be required to exchange information but shall apply a withholding tax to the savings income covered by the Directive.

4. Montserrat has agreed to apply automatic exchange of information in the same manner as is provided for in Chapter II of the Directive.
5. Montserrat has legislation relating to undertakings for collective investment that is deemed to be equivalent in its effect to the EC legislation referred to in Articles 2 and 6 of the Directive.

Montserrat and Ireland hereinafter referred to as a “contracting party” or the “contracting parties” unless the context otherwise requires, have agreed to conclude the following agreement which contains obligations on the part of the contracting parties only and provides for the automatic exchange of information between the contracting parties in respect of interest payments made by a paying agent established in a contracting party to an individual resident in the other contracting party.

For the purposes of this Agreement the term ‘competent authority’ when applied to the contracting parties means the Revenue Commissioners with respect to Ireland and the Inland Revenue Department with respect to Montserrat.

Article 1 Reporting of Information by Paying Agents

- (1) Where interest payments, as defined in Article 5 of this Agreement, are made by a paying agent established in either contracting party to beneficial owners, as defined in Article 2 of this Agreement, who are residents of the other contracting party, the paying agent shall report to its competent authority;
 - (a) the identity and residence of the beneficial owner established in accordance with Article 3 of this Agreement;
 - (b) the name and address of the paying agent;

- (c) the account number of the beneficial owner or, where there is none, identification of the debt claim giving rise to the interests;
- (d) information concerning the interest payment in accordance with paragraph 2 of Article 8 of the Directive; however, each contracting party may restrict the minimum amount of information concerning interest payment to be reported by the paying agent to the total amount of interest or income and to the total amount of the proceeds from sale, redemption or refund.

And the contracting parties will comply with paragraph 2 of this Article.

- (2) Within six months following the end of their tax year, the competent authority of the contracting parties shall communicate to the competent authority of the other contracting party, automatically, the information referred to in paragraph (1) (a) – (d) of this Article, for all interest payments made during that year.

Article 2 Definition of beneficial owner

- (1) For the purposes of this Agreement, “beneficial owner” shall mean any individual who receives an interest payment or any individual for whom an interest payment is secured, unless such individual can provide evidence that the interest payment was not received or secured for his own benefit. An individual is not deemed to be the beneficial owner when he:
 - (a) acts as a paying agent within the meaning of Article 4(1) of this Agreement;
 - (b) acts on behalf of a legal person, an entity which is taxed on its profits under the general arrangements for business taxation, an UCITS authorised in accordance with Council Directive 85/611/EEC or an equivalent undertaking for collective investment established in Montserrat, or an entity referred to in Article 4(2) of this Agreement and, in the last mentioned case, discloses the name and address of that entity to the

economic operator making the interest payment and the latter communicates such information to the competent authority of its contracting party of establishment;

- (c) acts on behalf of another individual who is the beneficial owner and discloses to the paying agent the identity of that beneficial owner.
- (2) Where a paying agent has information suggesting that the individual who receives an interest payment or for whom an interest payment is secured may not be the beneficial owner, and where neither paragraph (1)(a) nor (1)(b) of this Article applies, it shall take reasonable steps to establish the identity of the beneficial owner. If the paying agent is unable to identify the beneficial owner, it shall treat the individual in question as the beneficial owner.

Article 3 Identity and residence of beneficial owners

- (1) Each Party shall, within its territory, adopt and ensure the application of the procedures necessary to allow the paying agent to identify the beneficial owners and their residence for the purposes of this Agreement. Such procedures shall comply with the minimum standards established in paragraphs (2) and (3).
- (2) The paying agent shall establish the identity of the beneficial owner on the basis of minimum standards which vary according to when relations between the paying agent and the recipient of the interest are entered into, as follows:
 - (a) for contractual relations entered into before the 1st January 2004, the paying agent shall establish the identity of the beneficial owner, consisting of his name and address, by using the information at its disposal, in particular pursuant to the regulations in force in its country of establishment and to Council Directive 91/308/EEC of the 10th June, 1991 in the case of Ireland or equivalent legislation in the case of Montserrat on prevention of the use of the financial system for the purpose of money laundering;

- (b) for contractual relations entered into, or transactions carried out in the absence of contractual relations, on or after the 1st January, 2004 the paying agent shall establish the identity of the beneficial owner, consisting of the name, address and, if there is one, the tax identification number allocated by the Member State of residence for tax purposes. These details should be established on the basis of the passport or of the official identity card presented by the beneficial owner. If it does not appear on that passport or official identity card, the address shall be established on the basis of any other documentary proof of identity presented by the beneficial owner. If the tax identification number is not mentioned on the passport, on the official identity card or any other documentary proof of identity, including, possibly the certificate of residence for tax purposes, presented by the beneficial owner, the identity shall be supplemented by a reference to the latter's date and place of birth established on the basis of his passport or official identification card.

- (3) The paying agent shall establish the residence of the beneficial owner on the basis of minimum standards which vary according to when relations between the paying agent and the recipient of the interest are entered into. Subject to the conditions set out below, residence shall be considered to be situated in the country where the beneficial owner has his permanent address:
 - (a) for contractual relations entered into before 1st January, 2004 the paying agent shall establish the residence of the beneficial owner by using the information at its disposal, in particular pursuant to the regulations in force in its country of establishment and to Council Directive 91/308/EEC in the case of Ireland or equivalent legislation in the case of Montserrat;
 - (b) for contractual relations entered into, or transactions carried out in the absence of contractual relations, on or after the 1st January, 2004, the paying agents shall establish the residence of the beneficial owner on the

basis of the address mentioned on the passport, on the official identity card or, if necessary, on the basis of any documentary proof of identity presented by the beneficial owner and according to the following procedure: for individuals presenting a passport or official identity card issued by a Member State who declare themselves to be resident in a third country, residence shall be established by means of a tax residence certificate issued by the competent authority of the third country in which the individual claims to be resident. Failing the presentation of such a certificate, the Member State which issued the passport or other official identity document shall be considered to be the country of residence.

Article 4 Definition of paying agent

- (1) For the purposes of this Agreement, ‘paying agent’ means any economic operator who pays interest to or secures the payment of interest for the immediate benefit of the beneficial owner, whether the operator is the debtor of the debt claim which produces the interest or the operator charged by the debtor or the beneficial owner with paying interest or securing the payment of interest.

- (2) Any entity established in a contracting party to which interest is paid or for which interest is secured for the benefit of the beneficial owner shall also be considered a paying agent upon such payment or securing of such payment. This provision shall not apply if the economic operator has reason to believe, on the basis of official evidence produced by that entity that:
 - (a) it is a legal person, with the exception of those legal persons referred to in paragraph 5 of this Article; or

 - (b) its profits are taxed under the general arrangements for business taxation;
or

- (c) it is an UCITS recognised in accordance with Council Directive 85/611/EEC or an equivalent undertaking for collective investment established in Montserrat.

An economic operator paying interest to, or securing interest for, such an entity established in the other contracting party which is considered a paying agent under this paragraph shall communicate the name and address of the entity and the total amount of interest paid to, or secured for, the entity to the competent authority of its contracting party of establishment, which shall pass this information on to the competent authority of the contracting party where the entity is established.

- (3) The entity referred to in paragraph (2) of this Article shall, however, have the option of being treated for the purposes of this Agreement as an UCITS or equivalent undertaking as referred to in sub-paragraph (c) of paragraph (2). The exercise of this option shall require a certificate to be issued by the contracting party in which the entity is established and presented to the economic operator by that entity. A contracting party shall lay down the detailed rules for this option for entities established in their territory.
- (4) Where the economic operator and the entity referred to in paragraph (2) of this Article are established in the same contracting party, that contracting party shall take the necessary measures to ensure that the entity complies with the provisions of this Agreement when it acts as a paying agent.
- (5) The legal persons exempted from sub-paragraph (a) of paragraph (2) of this Article are
 - (a) in Finland: avoin yhtiö (Ay) and kommandiittiyhtiö (Ky)/öppet bolag and kommanditbolag;
 - (a) in Sweden: handelsbolag (HB) and kommanditbolag (KB).

Article 5 Definition of interest payment

- (1) For the purposes of this Agreement “interest payment” shall mean:
- (a) interest paid, or credited to an account, relating to debt claims of every kind, whether or not secured by mortgage and whether or not carrying a right to participate in the debtor’s profits, and, in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures; penalty charges for late payments shall not be regarded as interest payments;
 - (b) interest accrued or capitalised at the sale, refund or redemption of the debt claims referred to in (a);
 - (c) income deriving from interest payments either directly or through an entity referred to in Article 4(2) of this Agreement, distributed by –
 - (i) an UCITS authorised in accordance with Council Directive 85/611/EEC; or
 - (ii) an equivalent undertaking for collective investment established in Montserrat;
 - (iii) entities which qualify for the option under Article 4(3) of this Agreement; or
 - (iv) undertakings for collective investment established outside the territory to which the Treaty establishing the European Community applies by virtue of Article 299 thereof and outside Montserrat.
 - (d) income realised upon the sale, refund or redemption of shares or units in the following undertakings and entities, if they invest directly or indirectly,

via other undertakings for collective investment or entities referred to below, more than 40% of their assets in debt claims as referred to in (a):

- (i) an UCITS authorised in accordance with Council Directive 85/611/EEC; or
- (ii) an equivalent undertaking for collective investment established in Montserrat.
- (iii) entities which qualify for the option under Article 4(3) of this Agreement;
- (iv) undertakings for collective investment established outside the territory to which the Treaty establishing the European Community applies by virtue of Article 299 thereof and outside Montserrat.

However, the contracting parties shall have the option of including income mentioned under paragraph (1)(d) of this Article in the definition of interest only to the extent that such income corresponds to gains directly or indirectly deriving from interest payments within the meaning of paragraphs (1)(a) and (b) of this Article.

- (2) As regards paragraphs (1)(c) and (d) of this Article, when a paying agent has no information concerning the proportion of the income which derives from interest payments, the total amount of the income shall be considered an interest payment.
- (3) As regards paragraph (1)(d) of this Article, when a paying agent has no information concerning the percentage of the assets invested in debt claims or in shares or units as defined in that paragraph, that percentage shall be considered to be above 40%. Where he cannot determine the amount of income realised by the beneficial owner, the income shall be deemed to correspond to the proceeds of the sale, refund or redemption of the shares or units.

- (4) When interest, as defined in paragraph (1) of this Article, is paid to or credited to an account held by an entity referred to in Article 4(2) of this Agreement, such entity not having qualified for the option under Article 4(3) of this Agreement, such interest shall be considered an interest payment by such entity.
- (5) As regards paragraphs (1)(b) and (d) of this Article, a contracting party shall have the option of requiring paying agents in its territory to annualise the interest over a period of time which may not exceed one year, and treating such annualised interest as an interest payment even if no sale, redemption or refund occurs during that period.
- (6) By way of derogation from paragraphs (1)(c) and (d) of this Article, a contracting party shall have the option of excluding from the definition of interest payment any income referred to in those provisions from undertakings or entities established within its territory where the investment in debt claims referred to in paragraph (1)(a) of this Article of such entities has not exceeded 15% of their assets. Likewise, by way of derogation from paragraph (4) of this Article, a contracting party shall have the option of excluding from the definition of interest payment in paragraph (1) of this Article interest paid or credited to an account of an entity referred to in Article 4(2) of this Agreement which has not qualified for the option under Article 4(3) of this Agreement and is established within its territory, where the investment of such an entity in debt claims referred to in paragraph (1)(a) of this Article has not exceeded 15% of its assets.

The exercise of such option by one contracting party shall be binding on the other contracting party.

- (7) The percentage referred to in paragraph (1)(d) of this Article and paragraph (3) of this Article shall, from 1 January 2011, be 25%.
- (8) The percentages referred to in paragraph (1)(d) of this Article and in paragraph (6) of this Article shall be determined by reference to the investment policy as laid down in the fund rules or instruments of incorporation of the undertakings

or entities concerned or, failing which, by reference to the actual composition of the assets of the undertakings or entities concerned.
