Eager to learn and ready to take your first step into a rewarding career?

Our team of almost 7,000 people work across a diverse range of specialisms.

Join us and, whatever your degree, you'll find an opportunity to grow and make an impact here.

About the programme:

As part of the programme you will:

- **gain unique experience** in challenging tax technical roles that only Revenue can offer,
- **obtain an industry-recognised tax qualification** through our Chartered Tax Advisor sponsorship programme, and receive all other training and support you need to succeed,
- **develop a broad career portfolio** by rotating across different work areas, and build a strong foundation for future career progression and promotion, and
- **build a professional network** among other graduates starting alongside you, and connect with experienced colleagues and mentors across Revenue.

Location

You will be based at one of our offices in **Dublin** or **Limerick**.

After an initial in-office induction period you will be able to benefit from our **blended working** scheme.

Benefits

Starting salary of €40,268, rising with each year of satisfactory service.

25 days annual leave, rising to 29 days after 5 years' service.

Flexible working arrangements and initiatives to support wellbeing and work-life balance.

Why Revenue?

By joining our team, you will unlock your full potential, with real **opportunities to grow** your skill set and **progress your career** by taking on new challenges and diverse roles, all within one organisation.

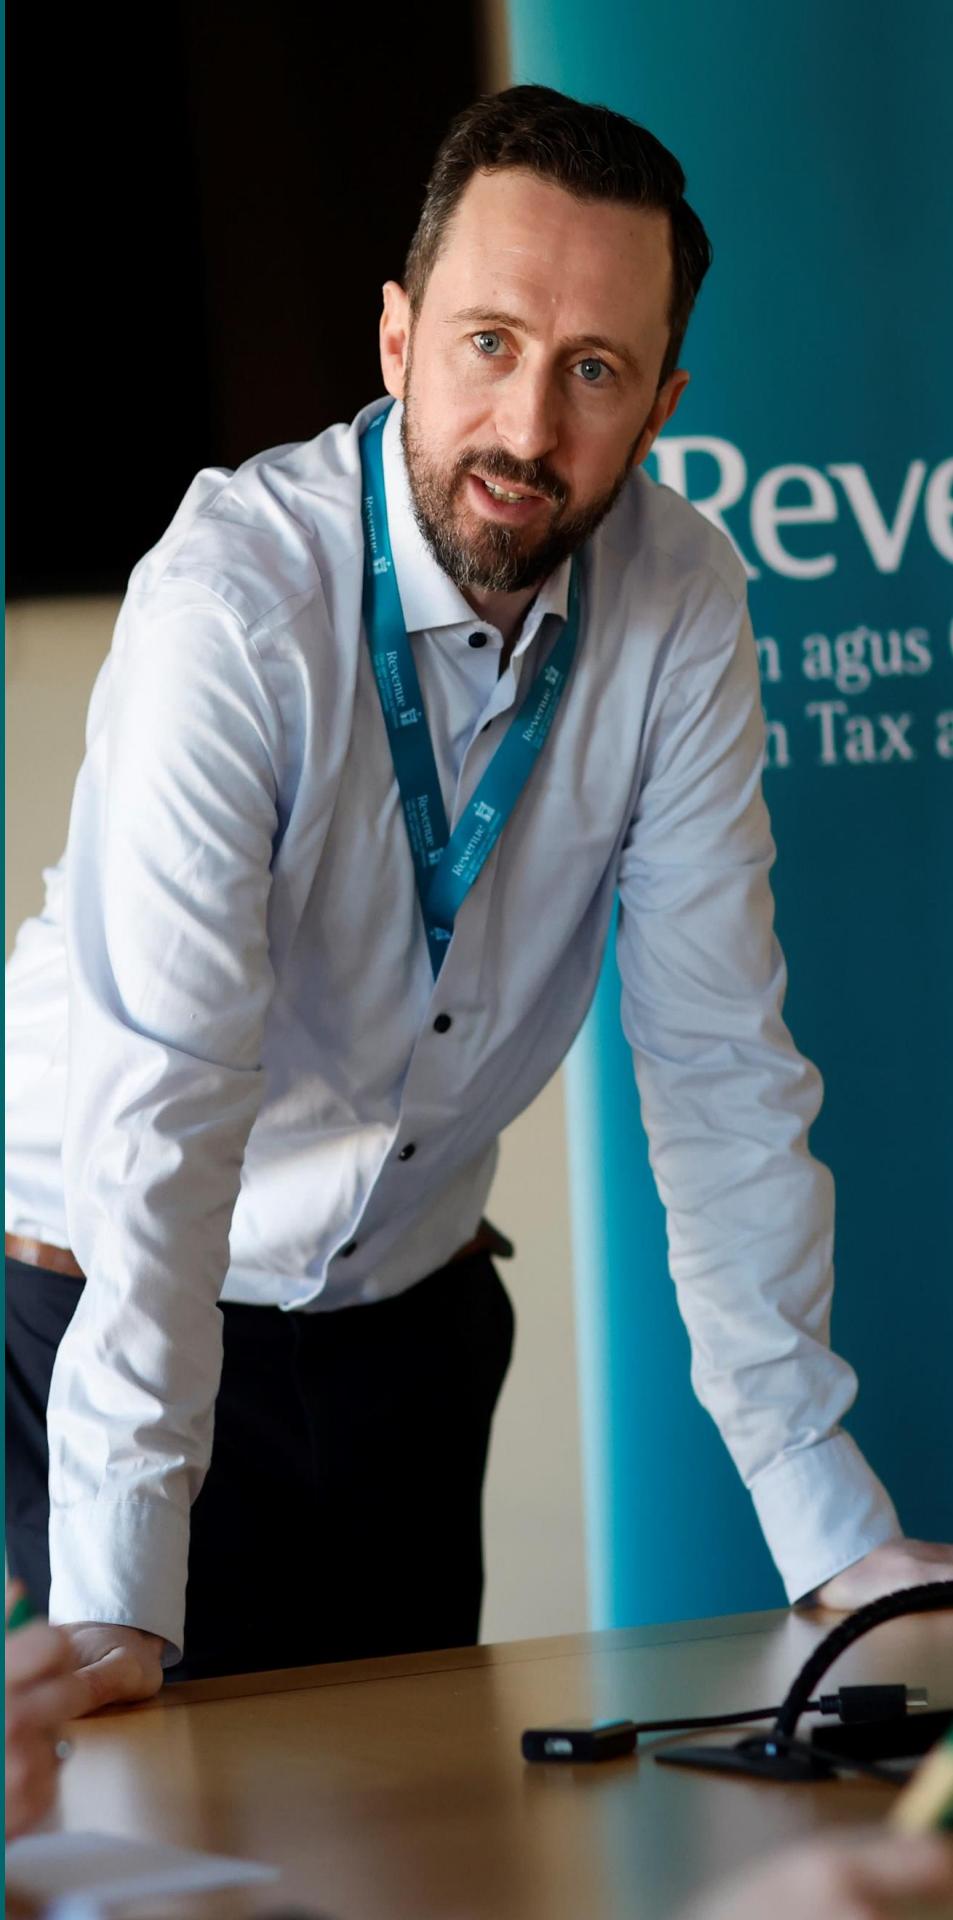

You will also help **influence real change** on a large scale, by shaping tax policy and legislation, and play a vital role in **keeping the tax system fair** for everyone.

Few careers give you the same opportunity to **advance your own career** whilst **serving your community** in this way.

Why You?

You will thrive in this programme if you:

- want a career that challenges, rewards and inspires you,
- have an eager mindset and are keen to keep learning and progressing, and
- enjoy working with others to solve problems and make things happen.

**Launch your career with a job that's
much more than 'just' a job.**
