In line with this ethos, you may use modern technology, including artificial intelligence, in preparing your application; however, you must be able to provide evidence during the selection process to support the information presented in your application.

² No extensions will be given, and for this reason, it is crucial that you complete your application form well in advance of the closing date and time.

7.2 Proficiency in Irish

Applicants are asked on the application form to indicate if they wish to claim proficiency in Irish. Indicating proficiency in Irish on the application form will be taken as a declaration of interest in an Irish speaking role, should such a role arise during the lifetime of the panel. Revenue will note the interest declared by an applicant and, if a role requiring fluency in Irish is available, the applicant's competency will be tested when coming under consideration for assignment.

7.3 Reasonable Accommodations

Reasonable accommodation in our selection process refers to adjustments and practical changes which would enable an applicant with a disability to have an equal opportunity for this competition. Examples of adjustments we provide include the use of assistive technology, extra time, scribes and/or readers.

Please be assured that having a disability or requiring adjustments will not impact on your progress in the selection process; you will not be at a disadvantage if you disclose your disability or requirements to us. Your disability and/or adjustments will be kept entirely confidential.

If an applicant requires any reasonable accommodations to be made at any stage of the selection process, the applicant should set out the requirement on the application form and Revenue will endeavour to make the necessary arrangements. Alternatively, applicants can email CSDOpenRecruitment@revenue.ie. Requests for reasonable accommodations must be outlined in advance; any matters brought to attention afterwards may not be taken into consideration.

7.4 Selection Methods

Potential selection methods may include some or all of the following:

- An eligibility sift/ competitive shortlist to determine if applicants meet requirements for the position.
- A competitive in-person interview (final stage) based on the essential requirements for the post and the information contained in the applicant's application form. This may include a presentation relevant to the role (topic will be identified when applicants are scheduled for interview).

Applicants are not permitted to use any type of recording equipment at any stage of the selection process. This applies to any form of sound recording and any type of still picture or video recording, whether including sound recording or not, and covers any type of device used for these purposes.

7.4.1 Assessment Boards

An assessment board, or boards, will be set up by Revenue to conduct any interim selection processes and interviews, as necessary.

7.4.2 Shortlisting Stage

During any shortlisting exercise that may be employed, a board will examine the application form and assess it against pre-determined criteria based on the requirements of the position (as specified in The Role, Person Specification, Essential Entry Requirements and Competency descriptions). It is, therefore, in a candidate's interest to provide a detailed and accurate account of their qualifications and experience relevant to the role on the application form.

It is important to note that while a candidate may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, it may be decided that a smaller number will be called to the next stage of the selection process.

Shortlisting is a competitive process. In this respect, the shortlisting board(s) will select a group who, based on an examination of the application forms, appear to be most suitable for the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the role, rather that there are some candidates, who based on their application, appear to have more relevant experience.

It is important to note that candidates must reach the required standard in any interim selection stage to be considered suitable for progression to the next stage of the selection process.

Please note that while verbal feedback will not be provided following a shortlisting process, all unsuccessful candidates will receive their scores along with a feedback comment from the shortlisting board.

7.4.3 Final Interview Stage

Applicants who are successful in any interim selection stage may be invited to the final interview stage. This stage will consist of a competitive, in-person interview that will focus on the information provided in the application form which will be assessed against the key requirements for the role, as specified in The Role, Person Specification, Essential Entry Requirements and Competency descriptions. You may also be asked to provide additional information regarding your experience/ expertise to determine your suitability. It may also include

a presentation by the applicant. If a presentation is required, the topic will be identified when applicants are being invited to attend for interview.

It is important to note that at the final interview stage, applicants must reach a minimum standard of 70% in each scoring area, including the presentation, if there is one, to be considered for inclusion on the panel.

7.5 Availability

During the selection process, the onus is on all applicants to make themselves available on the date(s) specified by Revenue and to make whatever arrangements are necessary to ensure that they receive communications sent to them at the contact details specified on their application form. Revenue will not be responsible for refunding any expenses incurred by applicants. The admission of a person to a competition, or invitation to attend interview, or a successful result letter, is not to be taken as implying that Revenue is satisfied that such a person fulfils the requirements or is not disqualified by law from holding the position.

7.6 Suitability for a Post (or Admission)

Prior to confirming any candidate for appointment from this panel, Revenue will make all such enquiries as are deemed necessary to determine the suitability of that applicant. Until all stages of the recruitment process have been fully completed, a final determination cannot be made, nor can it be deemed or inferred that such a determination has been made.

7.7 Panel

A panel³ will be established from this competition to fill positions that may arise over the lifetime of the panel. This panel will expire one year from the date of its establishment. Placement on a panel is not a guarantee of appointment to a position.

It is important to note that:

- Once an offer is accepted, the candidate will not be considered for any other appointment from the panel.
- If an offer of a post in a location is declined, the candidate may not be considered for the declined location again; but may remain on the panel in consideration for offers of posts arising in other locations.

³ The term panel refers to a group of successful candidates who have been ranked in order of merit based on interview performance/ total score.

Other Key Points to Note

8. Other Key Points to Note

8.1 Confidentiality

Protecting confidentiality is a priority. Revenue guarantees that all enquiries, applications, and all aspects of the proceedings are treated as strictly confidential and are not disclosed to anyone, outside those directly involved in the competition process. Revenue will not contact referees, employers, or previous employers without an applicant's consent and then only if the applicant concerned comes under consideration for appointment.

8.2 Data Protection Acts 1988-2018

When an application form is received, Revenue creates a record in the name of the applicant, which contains much of the personal information supplied in the application. This personal record is used solely in processing the person's candidature. Such information held is subject to the rights and obligations set out in the [General Data Protection Regulation](#) and the [Data Protection Act 2018](#) (the Data Protection legislation). Certain items of information, not specific to any individual, are extracted from computer records for general statistical purposes.

To make a request under the Data Protection legislation, please submit your request in writing to: The Data Protection Unit, Corporate Services Division, Dublin Castle, Dublin 2. Further information on Data Protection in Revenue is available at the following links: [Revenue Data Protection](#) and [Applicant and Assignment Data Protection Statements](#).

8.3 Code of Practice

This competition is being organised in accordance with the Code of Practice entitled Appointment to Positions in the Civil Service and Public Service published by the Commission for Public Service Appointments (CPSA). Revenue will consider any requests for review in accordance with the provisions of this code which may be accessed at www.cpsa.ie.

Revenue is an equal opportunities employer. Assignments will be made on the basis of qualifications and the ability to carry out the responsibilities of the grade or post.

8.4 Review and Complaint Procedures under the CPSA Code of Practice

If an applicant is unhappy following the outcome of any stage of a selection process, they can either request a Review of a decision made during the process or make a Complaint that the selection process followed was unfair.

An applicant can follow either one of the two procedures in relation to the same aspect of a selection process, but not both. Where a review of a selection process has taken place under Section 7 of the Code of Practice, a complainant may not seek a further review of the same process under Section 8 of the Code of Practice, other than in the most exceptional circumstances that will be determined by the Commission for Public Service Appointments (CPSA) at its sole discretion.

There is no obligation on Revenue to suspend an appointment process while a review or complaint is being considered. However, the CPSA expects that, where possible, Revenue will intervene in cases where it finds an error is likely to have occurred.

8.5 Disqualification

Canvassing will disqualify and will result in exclusion from the process. Applicants must not knowingly or recklessly provide false information, canvass any person with or without inducements, or interfere with or compromise the process in any way. A third party must not impersonate an applicant at any stage of the process.

8.6 Contravening Canvassing Provisions

Any person who contravenes the responsibilities and obligations set out in Sections 4.3 of the Code of Practice, or who assists another person in contravening those provisions, is committing an offence. Such a person is liable to prosecution that may result in a fine, imprisonment or both. In addition, where a person found guilty of such offence was or is an applicant in a recruitment process, then, where an applicant:

- has not been appointed to a post, they will be disqualified as an applicant, or
- has been appointed subsequently from the recruitment process in question, they shall forfeit that appointment.

8.7 Quality Customer Service

We aim to provide an excellent service to all our customers. If, for any reason, an applicant is unhappy with any aspect of the service received from us, Revenue will fully consider the matter when it is brought to our attention.

Feedback will be provided to applicants on written request. Applicants may wish to familiarise themselves with the guidance on feedback provided in the [CPSA Casebook](#). In its casebook, the CPSA encourages applicants who are keen to learn from their participation in an appointment process to reflect on the manner in which they demonstrated the competencies. Following an interview, it can be helpful to note down the key questions asked as well as a brief summary of the responses provided.

8.8 Deeming of Candidature to be Withdrawn

Applicants who do not attend for interview or complete other assessments when and where required by Revenue, or who do not, when requested, furnish such evidence, as Revenue require in regard to any matter relevant to their candidature, will have no further claim to consideration.

The successful applicant will be offered the appropriate superannuation terms and conditions as prevailing in the Civil Service at the time of being offered an appointment. In general, an appointee who has never worked in the Public Service will be offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme"). Full details of the Scheme are at www.singlepensionscheme.gov.ie.

Where the appointee has worked in a pensionable (non-Single Scheme terms) public service job in the 26 weeks prior to appointment or is currently on a career break or special leave with/without pay, different terms may apply. The pension entitlement of such appointees will be established in the context of their public service employment history.

Key provisions attaching to membership of the Single Scheme are as follows:

- Pensionable Age: The minimum age at which pension is payable is the same as the age of eligibility for the State Pension, currently 66
- Retirement Age: Scheme members must retire on reaching the age of 70
- Career average earnings are used to calculate benefits (a pension and lump sum amount accrue each year and are up-rated each year by reference to the CPI)
- Post retirement pension increases are linked to the CPI.

10.4 Pension Abatement

If the appointee has previously been employed in the Civil or Public Service and is in receipt of a pension from the Civil or Public Service or where a Civil/Public Service pension comes into payment during their re-employment, that pension **will be subject to abatement** in accordance with Section 52 of the Public Service Pensions (Single Scheme and Other Provisions) Act 2012.

Note: In applying for this position, you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing Department/Office will support an application for an abatement waiver in respect of appointments to this position. However, if the appointee was previously employed in the Civil or Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER), the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular letter LG(P) 06/2013, any of which renders a person ineligible for the competition), the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements may, however, be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

10.5 Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007

The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e., the added years previously granted will not be taken into account in the calculation of the pension payment).

10.6 Ill-Health Retirement

- If the applicant subsequently fails to complete probation or decides to leave their assigned post, there can be no reversion to the civil service IHR status, nor reinstatement of the civil service IHR pension, that existed prior to the application nor is there an entitlement to same
- The applicant will become a member of the Single Public Service Pension Scheme (SPSPS) upon appointment if they have had a break in pensionable public/civil service of more than 26 weeks.

10.8 Appointment Post Ill-Health Retirement from Public Service

Where an individual has retired from a public service body their ill-health pension from that employment may be subject to review in accordance with the rules of ill-health retirement under that scheme.

If an applicant is successful, on appointment the applicant will be required to declare whether they are in receipt of a public service pension (ill-health or otherwise) and their public service pension may be subject to abatement.

The applicant will become a member of the Single Public Service Pension Scheme (SPSPS) upon appointment if they have had a break in pensionable public/civil service of more than 26 weeks.
