

1. Who are you:

Individual/Business

2. Are you making a submission in relation to the proposals for a:

Both DW & SP (for tax professionals, representative bodies, RCT middle principals)

3. Please tick the sectors that apply to you:

Construction

4. After reading about the proposed new eWHT system, how would you describe your overall reaction?

Very negative - I do not support the proposed direction

5. What aspects of the proposed model appeal most to you, and why?

Not many aspects appeal to me.

6. What concerns or reservations do you have about the proposed approach?

I dont like the way RCT is taxed on a Invoice. IF rct is taxed it should only be taxed on the profit of the invoice and not value of the invoice. This drastically affects small business cash flow.

7. The proposed eWHT model seeks to expand withholding tax to payments to service providers where a suitable withholder exists. How do you feel generally about this type of expansion?

I dont agree to with hold tax

8. In relation to PSWT specifically, this currently applies to payments made by state and semi-state bodies for certain services. Do you have a view on

how it is targeted and if the types of payments it applies to should be reviewed?

Tax should only be paid on profit

9. Please indicate if you currently operate:

Relevant Contracts Tax (RCT)

10. From the perspective of a DW, how does the current application of PSWT and/or RCT impact on your business operations?

At 0% it has no impact on business. At 10/20 or 35% It affects cash flow of the business.

11. If you are a Platform Operator, does your organisation have any experience of applying taxes to transactions, for services operating on your platform, in other jurisdictions? If yes, please provide information of the jurisdiction and details of the tax.

12. From the perspective of a DW, what are your views on the application of RCT and/or PSWT, as the case may be?

RCT should only be applied to profit

13. What is your understanding of the withholding tax model of tax collection of RCT and PSWT and why it is applied to payments?

that you withhold tax on the full value of the invoice and not the profit of the invoice

14. The proposal aims to embed eWHT processes directly into accounting, payroll, or other business management systems. How beneficial do you think this would be for your business?

cant see any benefit to a small business

15. In your view, what opportunities could embedding eWHT within natural business systems create for your business or the wider industry?

I can't see any opportunities in this

16. What challenges do you think your business might face in adopting this embedded within natural systems approach?

Cash flow coz we are a small business

17. What is the estimated number of payments that you make to SPs each month?

1

Xero

19. Are you an employer for PAYE? If so, which software package do you use to report payroll taxes to Revenue?

Accountant does all this

20. Please indicate if you currently receive payments which are subject to deduction of:

21. Where you are currently subject to PSWT and/or RCT, how does the current application of withholding taxes impact on your business operations?

I pay all my taxes on time so I am on 0%

22. From the perspective of a SP, what are your views on the application of RCT and/or PSWT, as the case may be?

23. What is your understanding of the withholding tax model of tax collection of RCT and PSWT and why it is applied to payments?

that you withhold tax on the full value of the invoice and not the profit of the invoice

24. Where you are an SP operating as a corporate/partnership or other entity, do the current rates that apply to PSWT and RCT reflect your actual liability on the income received?

25. The proposal aims to embed taxation directly into how you get paid by the DW. How beneficial do you think this would be for your business?

cant see any benefit to it

26. Where you are an SP operating as an individual worker, the proposal aims to implement personalised deduction rates (PDR), which means you will pay tax on your income as you go, similar to how employees are taxed under PAYE. What impact do you think PDR will have on your cashflow and financial management?

it will kill cash flow

27. Do you think this new regime, including the PDR will have a positive effect on your end of year Income Tax return filing and preliminary tax payment obligations?

28. The accuracy of PDR is improved by the regular reporting by you to Revenue of your income and business expenses. How likely are you to report your income and expenses to improve the accuracy of your PDR?

29. What changes do you expect to have to implement in your business in order to be ready for the proposed eWHT regime?

30. What benefits do you expect the new regime to have on your business processes, costs and delivery of your business services?
