PIT Demo
Known Issues
Known Issues

• Temporary Performance restrictions in PIT3
  – Keep payroll message sizes to 100 payslips or less

• Date format and Digital Signing
  – PAYE Modernisation Services expect UTC rather than local time

• Date format is not being validated as part of the URL (REST specific issue)

• Lookup RPN not returning EmploymentID
OPA Message Guide
OPA Message Guide – Published Docs

• Message Guide

• JSON Envelope Schema

• Examples
