

Welcome to the third Revenue Statistical Bulletin of 2021.

Revenue has just published the [Post Budget 2022 Ready Reckoner](#) and updated our [Cost of Tax Expenditures](#) table (including revised accompanying notes).

Full details of all updated and new publications are below.

In June we hosted another successful seminar 'Using Real-Time Reporting to Enhance Statistics and Research'. You can find the presentations on our About Revenue Statistics page:

<https://www.revenue.ie/en/corporate/documents/statistics/about/real-time-reporting-presentations.pdf>

Revenue is committed to keeping stakeholders informed on the [COVID19 support schemes](#) deployed through the taxation system with our weekly statistical updates.

Furthermore, from September we are also publishing regular [Local Property Tax statistics](#). These are accompanied by a [technical paper](#) with further guidance on the methodology used.

For any queries or feedback in relation to our statistics, or to subscribe to this newsletter we can be contacted through statistics@revenue.ie. Please note that media queries should be directed to Revenue's Press Office in the first instance revpress@revenue.ie.

Finally, if you do not wish to be included in this list in future, please just reply to this email stating that you wish to 'unsubscribe'.
