Employment Wage Subsidy Scheme (EWSS)

The EWSS is an economy-wide enterprise support. The Scheme provides a flat-rate subsidy to qualifying employers based on the numbers of eligible employees on the employer's payroll. EWSS replaced the Temporary Wage Subsidy Scheme (TWSS) from 1 September 2020 and was expected to continue until 31 March 2021. It was announced in Budget 2021 that supports to employers would be extended to end of 2021. Both Schemes ran in parallel from 1 July 2020 until the TWSS ceased at the end of August 2020. The TWSS and the EWSS are operated by Revenue through the payroll system.

EWSS Table 1: October Payroll

| | All | EWSS Only |
|--------------------|-----------|-----------|
| Employers | 145,900 | 35,700 |
| Employees | 2,471,800 | 347,200 |
| Employments (jobs) | 2,642,100 | 350,500 |

There are currently **41,200 employers are registered with Revenue** for EWSS. This excludes around 1,900 employers who registered then cancelled their registrations.

On 21 October, Revenue advised of changes to the EWSS, involving a new payment schedule and reflecting a Government decision to revise the rates of subsidy payable under the EWSS.

The revised Scheme operates in respect of payroll submissions with pay dates on or after 20 October 2020. October EWSS payments were paid starting 5 November 2020. The first EWSS payments in respect of November payrolls were paid from 10 November. Thereafter, subsequent payments are being paid following the receipt of a payroll submission containing an EWSS claim. This means EWSS is now paid on a similar basis to the TWSS, providing a significant positive cashflow boost for businesses.

COVID-19 Restrictions Support Scheme (CRSS)

The CRSS is aimed at businesses that are impacted by COVID-19 restrictions. Under the CRSS, a qualifying person who carries on a business activity that is impacted by COVID-19 related restrictions, such that the business is required to prohibit or considerably restrict customers from accessing its premises, can make a claim to Revenue for a payment, subject to a maximum of €5,000, for each week that it is affected by the restrictions.

Details of the proposed Scheme were published in the Finance Bill 2020. Pending enactment of the necessary legislation Revenue has advised that registration for the Scheme is available to eligible businesses, or the tax agent acting on their behalf, via the e-Registration facility in ROS.

Up to 23 November, **8,300 businesses have registered 8,900 premises** for CRSS with Revenue. A further 4,300 applications are currently being processed.

Starting from 17 November, an eligible business, if registered with Revenue for CRSS and who carries on a business activity from a premise located in a region that is subject to COVID-19 related restrictions, can make a claim for payment under the CRSS. Payment will be made generally within 3 days of the submission of a qualifying claim.

Up to 23 November, Revenue has processed instructions for CRSS **payments of €33.5 million in respect of 5,400 premises** and these amounts will be paid to the businesses shortly.

Initial CRSS statistics are provided in the tables on the following page. Further details on CRSS will be published in the coming weeks.
