Employment Wage Subsidy Scheme (EWSS)

The EWSS is an economy-wide enterprise support. The Scheme provides a subsidy to qualifying employers based on the numbers of eligible employees on the employer's payroll. EWSS replaced the Temporary Wage Subsidy Scheme (TWSS) from 1 September 2020 and was expected to continue until 31 March 2021 (both Schemes ran in parallel from 1 July 2020 until the TWSS ceased at the end of August 2020). On 23 February 2021 it was announced that the EWSS would be extended to 30 June 2021 and on 1 June the Scheme was further extended to 31 December 2021. The TWSS and the EWSS are operated by Revenue through the payroll system.

There are **48,800 employers currently registered with Revenue** for EWSS (including 1,600 re-registrations). This excludes 5,100 employers who were previously registered.

On 21 October 2020, Revenue advised of changes to the EWSS, involving a new payment schedule and reflecting a Government decision to revise the rates of subsidy payable under the EWSS.

The revised Scheme operates in respect of payroll submissions with pay dates on or after 20 October 2020. October EWSS payments were paid starting 5 November 2020. The first EWSS payments in respect of November payrolls were paid from 10 November. Thereafter, subsequent payments are being paid following the receipt of a payroll submission containing an EWSS claim. This means EWSS is now paid on a similar basis to the TWSS, providing a significant positive cashflow boost for businesses.

COVID Restrictions Support Scheme (CRSS)

The CRSS is aimed at businesses that are impacted by COVID-19 restrictions. Under the CRSS, a qualifying person who carries on a business activity that is impacted by COVID-19 related restrictions, such that the business is required to prohibit or considerably restrict customers from accessing its premises, can make a claim to Revenue for a payment, subject to a maximum of €5,000, for each week that it is affected by the restrictions. Payment will be made generally within 3 days of the submission of a qualifying claim.

Registration for the Scheme is available to eligible businesses, or the tax agent acting on their behalf, via the e-Registration facility in ROS. **There are currently 22,700 businesses with 26,700 premises registered** for CRSS with Revenue. This includes those at applicant stage.

On 4 December 2020, Government announced an additional CRSS payment for businesses unable reopen during the Christmas and New Year period. The additional support was available for the weeks beginning 21 December 2020, 28 December 2020 and 4 January 2021, and provided up to double the amount of the weekly CRSS support payment due, subject to the statutory maximum payment of €5,000 per week. On 23 February 2021 it was announced that the CRSS would be extended to 30 June 2021. Revenue confirmed that from 10 May 2021 eligible businesses resuming trading activities can claim a 'Restart Week' payment (in effect double the normal weekly CRSS payment rate) for a period of two weeks. A further extension and enhancement of the CRSS was announced on 1 June 2021 to provide additional support to businesses upon re-opening and to give certainty to businesses still directly affected by public health restrictions. Eligible businesses resuming trading activities from 2 June can claim an enhanced restart payment to assist them with the additional costs of reopening. This provides a single payment in respect of a 3-week period, with the weekly entitlement calculated at double the normal weekly CRSS rate. The maximum amount that may be claimed in respect of each of the weeks covered has been increased from €5,000 to €10,000 (total maximum payment is €30,000).

Debt Warehousing

Debt Warehousing was announced by Government on 2 May 2020, to provide a vital liquidity support to businesses suffering downturn due to the COVID-19 pandemic. The warehousing arrangements initially applied to VAT and PAYE (employer) liabilities accumulated by businesses associated with the COVID-19 crisis. Debt warehousing is also available to taxpayers for Income Tax 2019 and Preliminary Income Tax 2020, subject to qualifying criteria.

The scheme is automatically available to businesses and individuals that are managed by Revenue’s Business and Personal Divisions. It is also available by agreement to larger businesses managed by Revenue’s Large Cases and Medium Enterprises Divisions, where such businesses have been adversely impacted by COVID-19.

Over **86,000 individual businesses** have availed of Debt Warehousing. This includes 2,600 Large Cases and Medium Enterprises Division taxpayers.

Debt Warehousing Table 1: Amounts Warehoused (at end May 2021)

**Includes approx. €391m PRSI; **Includes approx. €5m PRSI.*

On 1 June 2021 Government announced that the period where tax liabilities arising can be warehoused was extended to the end 2021 for all eligible taxpayers, with an interest free period during 2022, and the inclusion of overpayments of EWSS in the scheme.
