Employment Wage Subsidy Scheme (EWSS)

The EWSS is an economy-wide enterprise support. The Scheme provides a subsidy to qualifying employers based on the numbers of eligible employees on the employer's payroll. EWSS replaced the Temporary Wage Subsidy Scheme (TWSS) from 1 September 2020 and was expected to continue until 31 March 2021. It was announced in Budget 2021 that supports to employers would be extended to end of 2021. Both Schemes ran in parallel from 1 July 2020 until the TWSS ceased at the end of August 2020. The TWSS and the EWSS are operated by Revenue through the payroll system.

There are **45,900 employers registered with Revenue** for EWSS (including 1,400 re-registrations). This excludes 2,500 employers who registered then subsequently cancelled their registrations.

On 21 October 2020, Revenue advised of changes to the EWSS, involving a new payment schedule and reflecting a Government decision to revise the rates of subsidy payable under the EWSS.

The revised Scheme operates in respect of payroll submissions with pay dates on or after 20 October 2020. October EWSS payments were paid starting 5 November 2020. The first EWSS payments in respect of November payrolls were paid from 10 November. Thereafter, subsequent payments are being paid following the receipt of a payroll submission containing an EWSS claim. This means EWSS is now paid on a similar basis to the TWSS, providing a significant positive cashflow boost for businesses.
