Please note that we have identified some common errors in the data being declared in the ENS declaration. The correct details to be input when creating an ENS for RoRo movements are:

	Field	Declare the following
Unaccompanied	Conveyance Reference Number	XFER followed by the Trailer ID [No spaces between the XFER and Trailer ID]
Accompanied	ID Means of Transport	IMO Number followed by # followed by the Vehicle Registration Number [No spaces between IMO and # and Vehicle Registration Number]

It is important to ensure the data in the ENS declaration is entered as outlined above.
