1. Introduction

Revenue will be upgrading our existing Automated Import System (AIS) to AIS V2. In a change to previously advised planning, Revenue will now introduce AIS V2 in two stages.

Stage 1 will include the introduction of Centralised Clearance for Import (CCI) Phase 1 and Phase 2 on 31 December 2025.

Stage 2 will include the introduction of a new data set and new messages (aligned to revised Annex B of UCC) on 30 June 2026. Revenue will provide a three-month transition window to 30 September to facilitate trade move from AIS to AIS V2.

2. Key dates

Key dates for Stage 1 of AIS V2, the introduction of CCI are as follows:

- Public Interface Testing (PIT) is available to software developers since 30 June 2025
- Go Live – 31 December 2025

Key dates for the release of Stage 2 of AIS V2, introduction of a new data set and new messages aligned to revised Annex B UCC, are as follows:

- Public Interface Testing (PIT) will be available to software developers from January 2026.
- Go Live and start of transition period – 30 June 2026.
- End of transition period – 30 September 2026.
