Issue date	01 August 2025

1. Introduction

We would like to inform you that, due to a technical problem, data related to quotas with order number 09.8897 (GB), 09.8892 (TR) and 09.8893 (KR) (Steel category 17) were not transmitted in yesterday's TARIC file. The updated file will be transmitted tonight (01.08.2025).

2. Action to be taken by importers

Considering that these "steel safeguard" quotas are blocked from 01/08/2025 until 11/08/2025, we would recommend importers to consider the acceptance date of 1.08.2024 for the concerned requests that were not duly processed today for these specific quotas.

Imports with acceptance date 1 August 2025 will not obtain allocations under quotas 09.8897 (GB), 09.8892 (TR) and 09.8893 (KR) (Steel category 17). Allocations under these quotas can only be obtained for declarations with acceptance dates from 2 August 2025 onwards.
