1. Introduction

Moldova and Montenegro have completed the procedure to become a Contracting Party to the Convention on Common Transit Procedure and SAD Convention. With effect from 1 November 2025, Moldova and Montenegro will be using the electronic transit system – NCTS for transit operations.

All traders who wish to include Moldova or Montenegro as an office of transit /destination in a transit movement, must amend their comprehensive guarantee to do so. Non-AEO traders must also amend their guarantor's undertaking to include Moldova or Montenegro and provide an address for service in Moldova or Montenegro.
