Issue Date:	27/01/2026

1. Introduction

Further to related notification [11-2025](#), Revenue has introduced new ROS web services specifications for the retrieval of Customs & Excise (C&E) Balance Enquiries & Exchange Rates. The services are web based and available as synchronous REST services.

2. Key Dates:

Previous schemas/specifications for the C&E balance Enquiry and Exchange rates will be discontinued by [12 February 2026](#). You must update your software before this date to allow continued use of the services as further extensions cannot be provided.

3. Balance Enquiry Web Service

You can use this service to request the available balance for your specific EORI number in the current period. If you have a valid C&E Customs Clearance Agent relationship with a trader, you can request the balance details for that trader using their EORI number.
