Goods Moving by Ro-Ro

Message to Trade:

- Pre-lodge your customs declarations

- Create your Pre-Boarding Notification (PBN)

Customs Roll-On Roll-Off Service

Available on the Revenue Website

www.revenue.ie

It will consist of 3 functions:

- **Pre Boarding Notification (PBN)**

- **Channel Look Up Facility**

- **Parking Self Check In Facility**

PBN

Pre-Boarding Notification

What is a PBN?

The PBN is a 'virtual' envelope

Only **one** PBN per vehicle/trailer per journey

Similar to service in France (SI Brexit) and UK (GVMS)

Inbound and Outbound Journeys

PBN

Pre-Boarding Notification

Why do we need a PBN?

Groups together all of the declarations on the vehicle

Channel per vehicle

Re-use of data – creation of the Presentation Notification

PBN

Create Pre-Boarding Notification

← Back
