1. Introduction	3
2. Customs Systems available for testing.....	3
3. NCTS-P5 Messages available for testing	3

1. Introduction

This document outlines the messages that are currently available for PIT testing, messages that will be available in a future release later and messages that will not be available in PIT. The messages that will not be available in PIT require manual intervention on Revenue's side and will be available when NCTS-P5 goes live.

This document should be used in conjunction with the suite of documents on the eCustoms PIT homepage.

2. Customs Systems available for testing

System	Electronic Data/Interchange Format
New Computerised Transit System	XML
