

S83D Consent Form

This Consent Form applies only where there is more than one accountable person.

As accountable persons you may request the person who filed the Stamp Duty return on your behalf ('the filer') to make the repayment claim. If you request the filer to make the repayment claim, you do not need to take any further action and the repayment will be made to the filer's client account.

If you wish to make the repayment claim as accountable persons without the assistance of the filer, you must nominate one accountable person to make the repayment claim in eRepayments.

Please follow the steps below:

1. Select the accountable person making the repayment claim. This is the person that will sign the Declaration and make the claim in eRepayments and receive the repayment.

In the case of a sale, the purchaser is the accountable person. In the case of a gift, both the transferor and transferee are accountable persons.

Each accountable person must sign the Consent Form. The completed Consent Form and the completed Declaration must be attached to the repayment claim in eRepayments.

2. Once completed, save the form as "Consent Form/xxxxxxxxxx [insert "Document ID"]" and attach the completed form to your repayment claim. Keep the original safe as Revenue may require you to produce it.

Consent: We, the undersigned, in relation to the instrument to which the Stamp Certificate bearing Document ID _____ [insert Document ID] relates,

[insert name of accountable person whom you are consenting to make the repayment claim] should make the repayment claim under Section 83D of the Stamp Duties Consolidation Act 1999.
