

**SYNTHESISED TEXT OF THE MLI AND THE AGREEMENT BETWEEN THE
GOVERNMENT OF IRELAND AND THE GOVERNMENT OF GEORGIA
FOR THE AVOIDANCE OF DOUBLE TAXATION AND THE PREVENTION OF
FISCAL EVASION WITH RESPECT TO TAXES ON INCOME**

General disclaimer on synthesised text

This document presents the synthesised text for the application of the Agreement between the Government of Ireland and the Government of Georgia for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income signed on 20 November 2008 (the “Agreement”) as modified by the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting signed by Ireland and by Georgia on 7 June 2017 (the “MLI”).

This document was prepared in consultation with the competent authority of Georgia and represents our shared understanding of the modifications made to the Agreement by the MLI.

This was prepared on the basis of the MLI position of Ireland submitted to the Depositary upon ratification on 29 January 2019 and of the MLI position of Georgia submitted to the Depositary upon ratification on 29 March 2019. These MLI positions are subject to modifications as provided in the MLI. Modifications made to MLI positions could modify the effects of the MLI on the Agreement.

The authentic legal texts of the Agreement and the MLI take precedence and remain the legal texts applicable.

The provisions of the MLI that are applicable with respect to the provisions of the Agreement are included in boxes throughout the text of this document in the context of the relevant provisions of the Agreement. The boxes containing the provisions of the MLI have generally been inserted in accordance with the ordering of the provisions of the 2017 OECD Model Tax Convention.

Changes to the text of the provisions of the MLI have been made to conform the terminology used in the MLI to the terminology used in the Agreement (such as “Covered Tax Agreement” and “Agreement”, “Contracting Jurisdictions” and “Contracting States”), to ease the comprehension of the provisions of the MLI. The changes in terminology are intended to increase the readability of the document and are not intended to change the substance of the provisions of the MLI. Similarly, changes have been made to parts of provisions of the MLI that describe existing provisions of the Convention: descriptive language has been replaced by legal references of the existing provisions to ease the readability.

In all cases, references made to the provisions of the/this Agreement or to the/this Agreement must be understood as referring to the Agreement as modified by the provisions of the MLI, provided such provisions of the MLI have taken effect.

FISCAL EVASION WITH RESPECT TO TAXES ON INCOME**

The Government of Ireland and the Government of Georgia,

[REPLACED by paragraph 1 and paragraph 3 of Article 6 of the MLI] ~~desiring to conclude an Agreement for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income,~~

The following paragraph 1 and paragraph 3 of Article 6 of the MLI replace the text referring to an intent to eliminate double taxation in the preamble of this Agreement:

ARTICLE 6 OF THE MLI - PURPOSE OF A COVERED TAX AGREEMENT

Desiring to further develop their economic relationship and to enhance their co-operation in tax matters,

Intending to eliminate double taxation with respect to the taxes covered by this Agreement without creating opportunities for non-taxation or reduced taxation through tax evasion or avoidance (including through treaty-shopping arrangements aimed at obtaining reliefs provided in this Agreement for the indirect benefit of residents of third jurisdictions),

have agreed as follows:

**ARTICLE 1
PERSONS COVERED**

This Agreement shall apply to persons who are residents of one or both of the Contracting States.

**ARTICLE 2
TAXES COVERED**

1. This Agreement shall apply to taxes on income imposed on behalf of a Contracting State or of its local authorities, irrespective of the manner in which they are levied.
2. There shall be regarded as taxes on income all taxes imposed on total income or on elements of income, including taxes on gains from the alienation of movable or immovable property.
3. The existing taxes to which the Agreement shall apply are in particular:
 - (a) in Georgia:
 - (i) the income tax;
 - (ii) the profit tax;

(hereinafter referred to as “Georgian tax”);

(b) in Ireland:

- (i) the income tax;
- (ii) the corporation tax; and
- (iii) the capital gains tax;

(hereinafter referred to as “Irish tax”).

4. The Agreement shall apply also to any identical or substantially similar taxes that are imposed after the date of signature of the Agreement in addition to, or in place of, the existing taxes. The competent authorities of the Contracting States shall notify each other of any significant changes that have been made in their respective taxation laws.

ARTICLE 3 GENERAL DEFINITIONS

1. For the purposes of this Agreement, unless the context otherwise requires:

(a) the term “Georgia” means the territory recognised by the international community within the state borders of Georgia, including land territory, internal waters and territorial sea, the air space above them, in respect of which Georgia exercises its sovereignty, as well as the contiguous zone, the exclusive economic zone and continental shelf adjacent to its territorial sea, in respect of which Georgia may exercise its sovereign rights in accordance with the international law;

(b) the term “Ireland” includes any area outside the territorial waters of Ireland which, in accordance with international law, has been or may hereafter be designated under the laws of Ireland concerning the Continental Shelf, as an area within which the rights of Ireland with respect to the sea bed and subsoil and their natural resources may be exercised;

2. As regards the application of this Agreement at any time by a Contracting State, any term not defined therein shall, unless the context otherwise requires, have the meaning that it has at that time under the law of that State for the purposes of the taxes to which this Agreement applies, any meaning under the applicable tax laws of that State prevailing over a meaning given to the term under other laws of that State.

ARTICLE 4

RESIDENT

1. For the purposes of this Agreement, the term “resident of a Contracting State” means any person who, under the laws of that State, is liable to tax therein by reason of his domicile, residence, place of incorporation, place of management or any other criterion of a similar nature, and also includes that State and any local authority thereof. This term, however, does not include any person who is liable to tax in that State in respect only of income from sources in that State.

2. Where by reason of the provisions of paragraph 1 of this Article an individual is a resident of both Contracting States, then his status shall be determined as follows:

- (a) he shall be deemed to be a resident only of the State in which he has a permanent home available to him; if he has a permanent home available to him in both States, he shall be deemed to be a resident only of the State with which his personal and economic relations are closer (centre of vital interests);
- (b) if the State in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either State, he shall be deemed to be a resident only of the State in which he has an habitual abode;
- (c) if he has an habitual abode in both States or in neither of them, he shall be deemed to be a resident only of the State of which he is a national;
- (d) if he is a national of both States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.

3. Where by reason of the provisions of paragraph 1 of this Article a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident only of the State in which its place of effective management is situated.

ARTICLE 5

PERMANENT ESTABLISHMENT

1. For the purposes of this Agreement, the term “permanent establishment” means a fixed place of business through which the business of an enterprise is wholly or partly carried on.
2. The term “permanent establishment” includes especially:
 - (a) a place of management;
 - (b) a branch;
 - (c) an office;
 - (d) a factory;
 - (e) a workshop; and
 - (f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources.
3. A building site or construction or installation project constitutes a permanent establishment only if it lasts more than six months.
4. A person carrying on activities offshore in a Contracting State in connection with the exploration or exploitation of the sea bed and subsoil and their natural resources situated in that Contracting State shall be deemed to be carrying on a business through a permanent establishment in that Contracting State.
5. Notwithstanding the preceding provisions of this Article, the term “permanent establishment” shall be deemed not to include:
 - (a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise belonging to the enterprise;
 - (b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;
 - (c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;
 - (d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise or of collecting information, for the enterprise;
 - (e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity of a preparatory or auxiliary character;
 - (f) the maintenance of a fixed place of business solely for any combination of activities mentioned in subparagraphs (a) to (e) of this paragraph, provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.
6. Notwithstanding the provisions of paragraphs 1 and 2 of this Article, where a person - other than an agent of an independent status to whom paragraph 7 of this Article applies - is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph 5 of this Article which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment under the provisions of that paragraph.

7. An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, provided that such persons are acting in the ordinary course of their business.

8. The fact that a company which is a resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not of itself constitute either company a permanent establishment of the other.

ARTICLE 6

INCOME FROM IMMOVABLE PROPERTY

1. Income derived by a resident of a Contracting State from immovable property (including income from agriculture or forestry) situated in the other Contracting State may be taxed in that other State.

2. The term “immovable property” shall have the meaning which it has under the law of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, livestock and equipment used in agriculture and forestry, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships and aircraft shall not be regarded as immovable property.

3. The provisions of paragraph 1 of this Article shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

4. The provisions of paragraphs 1 and 3 of this Article shall also apply to the income from immovable property of an enterprise.

ARTICLE 7

BUSINESS PROFITS

1. The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

2. Subject to the provisions of paragraph 3 of this Article, where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

3. In determining the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment,

including executive and general administrative expenses so incurred, whether in the State in which the permanent establishment is situated or elsewhere.

4. Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph 2 of this Article shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles contained in this Article.

5. No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

6. For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

7. Where profits include items of income or gains which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8

SHIPPING AND AIR TRANSPORT

1. Profits from the operation of ships or aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

2. The provisions of paragraph 1 of this Article shall also apply to profits from the participation in a pool, a joint business or an international operating agency.

ARTICLE 9

ASSOCIATED ENTERPRISES

1. Where

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State, or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and an enterprise of the other Contracting State, and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

2. Where a Contracting State includes in the profits of an enterprise of that State — and taxes accordingly — profits on which an enterprise of the other Contracting State has been charged to tax in that other State and the profits so included are profits which would have accrued to the enterprise of the first-mentioned State if the conditions made between the two enterprises had been those which would have been made between independent enterprises, then that other State shall make an appropriate adjustment to the amount of the tax charged

therein on those profits. In determining such adjustment, due regard shall be had to the other provisions of this Agreement and the competent authorities of the Contracting States shall if necessary consult each other.

ARTICLE 10 DIVIDENDS

1. Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

2. However, such dividends:

(a) shall be exempt from tax in the Contracting State of which the company paying the dividends is a resident if the beneficial owner of the dividends is a company which is a resident of the other Contracting State which controls directly or indirectly at least 50 per cent of the voting power in the company paying the dividends and has invested at least 2 million Euros (or its equivalent in the Georgian currency) in the capital of the company paying the dividends;

(b) except as provided in sub-paragraph (a) of this paragraph, may also be taxed in the Contracting State of which the company paying the dividends is a resident, but if the beneficial owner of the dividends is a resident of the other Contracting State, the tax so charged shall not exceed:

(i) 5 per cent of the gross amount of the dividends if the beneficial owner is a company which controls directly or indirectly at least 10 per cent of the voting power in the company paying the dividends and has invested more than 100,000 Euros (or its equivalent in the Georgian currency) in the capital of the company paying the dividends.

(ii) 10 per cent of the gross amount of the dividends in all other cases.

The competent authorities of the Contracting States shall by mutual agreement settle the mode of application of these limitations.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

3. The term “dividends” as used in this Article means income from shares, founders’ shares or other rights, not being debt-claims, and includes any income from shares or from participation in profits or distribution which is treated as income under the taxation laws of the Contracting State of which the company paying the dividends or income or making the distribution is a resident.

4. The provisions of paragraphs 1 and 2 of this Article shall not apply if the beneficial owner of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident through a permanent establishment situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 of this Agreement shall apply.

5. Where a company which is a resident of a Contracting State derives profits or income from the other Contracting State, that other State may not impose any tax on the dividends

paid by the company, except insofar as such dividends are paid to a resident of that other State or insofar as the holding in respect of which the dividends are paid is effectively connected with a permanent establishment situated in that other State, nor subject the company's undistributed profits to a tax on the company's undistributed profits, even if the dividends paid or the undistributed profits consist wholly or partly of profits or income arising in such other State.

ARTICLE 11 INTEREST

1. Interest arising in a Contracting State and paid to a resident of the other Contracting State shall be taxable only in that other State if such resident is the beneficial owner of the interest.

2. The term "interest", as used in this Article, means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to such securities, bonds or debentures, as well as all other income that is treated as money lent by the laws of the State in which the income arises, but does not include any income which is treated as a dividend under Article 10 of this Agreement. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

3. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises through a permanent establishment situated therein and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 of this Agreement shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the interest, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12 ROYALTIES

1. Royalties arising in a Contracting State and beneficially owned by a resident of the other Contracting State shall be taxable only in that other State.

2. The term "royalties", as used in this Article, means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work (including cinematograph films or tapes for radio or television broadcasting, or any other means of reproduction or transmission), any software, any patent, trade mark, design or model, plan, secret formula or process, or for information concerning industrial, commercial or scientific experience.

3. The provisions of paragraph 1 of this Article shall not apply if the beneficial owner of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise through a permanent establishment situated therein and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 of this Agreement shall apply.

4. Where, by reason of a special relationship between the payer and the beneficial owner or between both of them and some other person, the amount of the royalties, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the beneficial owner in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In such case, the excess part of the payments shall remain taxable according to the laws of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 13 CAPITAL GAINS

1. Gains derived by a resident of a Contracting State from the alienation of immovable property referred to in Article 6 of this Agreement and situated in the other Contracting State may be taxed in that other State.

2. For the purposes of paragraph 1 of this Article, gains from the alienation of immovable property situated in the other Contracting State shall include gains from shares (including stock and any security), other than shares quoted on a recognised stock exchange, deriving their value or more than 50 per cent of their value directly or indirectly from immovable property situated in that other State.

3. Gains, other than those dealt with in paragraph 2 of this Article, from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State, including such gains from the alienation of such a permanent establishment (alone or with the whole enterprise), may be taxed in that other State.

4. Gains derived by an enterprise of a Contracting State from the alienation of ships or aircraft operated in international traffic, or movable property pertaining to the operation of such ships or aircraft, shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

5. Gains from the alienation of any property, other than that referred to in paragraphs 1, 2, 3 and 4 of this Article, shall be taxable only in the Contracting State of which the alienator is a resident.

6. The provisions of paragraph 5 of this Article shall not affect the right of a Contracting State to levy, according to its law, a tax on gains from the alienation of any property derived by an individual who is a resident of the other Contracting State and has been a resident of the first-mentioned State at any time during the three years immediately preceding the alienation of the property.

ARTICLE 14

INCOME FROM EMPLOYMENT

1. Subject to the provisions of Articles 15, 17, 18 and 20 of this Agreement, salaries, wages and other similar remuneration derived by a resident of a Contracting State in respect of an employment shall be taxable only in that State unless the employment is exercised in the other Contracting State. If the employment is so exercised, such remuneration as is derived therefrom may be taxed in that other State.

2. Notwithstanding the provisions of paragraph 1 of this Article, remuneration derived by a resident of a Contracting State in respect of an employment exercised in the other Contracting State shall be taxable only in the first-mentioned State if:

- (a) the recipient is present in the other State for a period or periods not exceeding in the aggregate 183 days in any twelve month period commencing or ending in the fiscal year concerned, and
- (b) the remuneration is paid by, or on behalf of, an employer who is not a resident of the other State, and
- (c) the remuneration is not borne by a permanent establishment which the employer has in the other State.

3. Notwithstanding the preceding provisions of this Article, remuneration derived in respect of an employment exercised aboard a ship or aircraft operated in international traffic by an enterprise of a Contracting State may be taxed in the Contracting State in which the place of effective management of the enterprise is situated.

ARTICLE 16

ARTISTES AND SPORTSPERSONS

1. Notwithstanding the provisions of Articles 7 and 14 of this Agreement, income derived by a resident of a Contracting State as an entertainer, such as a theatre, motion picture, radio or television artiste, or a musician, or as a sportsman, from his personal activities as such exercised in the other Contracting State, may be taxed in that other State.

2. Where income in respect of personal activities exercised by an entertainer or a sportsman in his capacity as such accrues not to the entertainer or sportsman himself but to another person, that income may, notwithstanding the provisions of Articles 7 and 14 of this Agreement, be taxed in the Contracting State in which the activities of the entertainer or sportsman are exercised.

3. The provisions of paragraphs 1 and 2 of the Article shall not apply to income derived from activities performed in a Contracting State by artistes or sportsmen if the visit to that State is wholly or mainly supported by public funds of one or both of the Contracting States

or local authorities thereof. In such a case, the income shall be taxable only in the Contracting State in which the artiste or the sportsman is a resident.

ARTICLE 17 PENSIONS AND ANNUITIES

1. Subject to the provisions of paragraph 2 of Article 18 of this Agreement, pensions and other similar remuneration paid to a resident of a Contracting State in consideration of past employment and any annuity paid to such a resident shall be taxable only in that State.

ARTICLE 18 GOVERNMENT SERVICE

1. (a) Salaries, wages and other similar remuneration paid by a Contracting State or a local authority thereof to an individual in respect of services rendered to that State or authority shall be taxable only in that State.

(b) However, such salaries, wages and other similar remuneration shall be taxable only in the other Contracting State if the services are rendered in that State and the individual is a resident of that State who:

- (i) is a national of that State; or
- (ii) did not become a resident of that State solely for the purpose of rendering the services.

2. (a) Notwithstanding the provisions of paragraph 1 of this Article, pensions and other similar remuneration paid by, or out of funds created by, a Contracting State or a local authority thereof to an individual in respect of services rendered to that State or authority shall be taxable only in that State.

(b) However, such pensions and other similar remuneration shall be taxable only in the other Contracting State if the individual is a resident of, and a national of, that State.

3. The provisions of Articles 14, 15, 16 and 17 of this Agreement shall apply to salaries, wages, pensions and other similar remuneration in respect of services rendered in connection with a business carried on by a Contracting State or a local authority thereof.

ARTICLE 19 STUDENTS

Payments which a student or business apprentice who is or was immediately before visiting a Contracting State a resident of the other Contracting State and who is present in the first-mentioned State solely for the purpose of his education or training receives for the purpose of his maintenance, education or training shall not be taxed in that State, provided that such payments arise from sources outside that State.

ARTICLE 20
PROFESSORS, TEACHERS AND RESEARCHERS

1. Professors, teachers or researchers who are or were immediately before visiting a Contracting State residents of the other Contracting State and who are present in the first-mentioned State for the purpose of teaching, continuing their education, lecturing or carrying out research work at a university, college or any other recognised educational or research institute in the first-mentioned State shall be exempt from tax in the first-mentioned Contracting State on any remuneration for such teaching or lecturing, or research work for a period not exceeding two years from the date they first visited that Contracting State for such purpose. ARTICLE 21

1. Items of income of a resident of a Contracting State, wherever arising, not dealt with in the foregoing Articles of this Agreement shall be taxable only in that State.
2. The provisions of paragraph 1 of this Article shall not apply to income, other than income from immovable property as defined in paragraph 2 of Article 6 of this Agreement, if the beneficial owner of the income, being a resident of a Contracting State, carries on business in the other Contracting State through a permanent establishment situated therein and the right or property in respect of which the income is paid is effectively connected with such permanent establishment. In such case the provisions of Article 7 of this Agreement shall apply.

ARTICLE 22
ELIMINATION OF DOUBLE TAXATION

1. Where a resident of Georgia derives income which, in accordance with the provisions of this Agreement, may be taxed in Ireland, Georgia shall allow as a deduction from the tax on the income of that resident, an amount equal to the Irish tax paid. Such deduction shall not, however, exceed that part of the income tax, as computed before the deduction is given, which is attributable to the income which may be taxed in Ireland.
2. Subject to the provisions of the laws of Ireland regarding the allowance as a credit against Irish tax of tax payable in a territory outside Ireland (which shall not affect the general principle hereof):
 - (a) the Georgian tax payable under the laws of Georgia and in accordance with this Agreement, whether directly or by deduction, on profits, income or gains from sources within Georgia (excluding in the case of a dividend tax payable in respect of the profits out of which the dividend is paid) shall be allowed as a credit against any Irish tax computed by reference to the same profits, income or gains by reference to which Georgian tax is computed;
 - (b) in the case of a dividend paid by a company which is a resident of Georgia to a company which is a resident of Ireland and which controls directly or indirectly 5 per

cent or more of the voting power in the company paying the dividend, the credit shall take into account (in addition to any Georgian tax creditable under the provisions of subparagraph (a) of this paragraph) Georgian tax payable by the company in respect of the profits out of which such dividend is paid.

3. For the purposes of paragraphs 1 and 2 of this Article profits, income and capital gains owned by a resident of a Contracting State which may be taxed in the other Contracting State in accordance with this Agreement shall be deemed to be derived from sources in that other Contracting State.

2. 3. The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities. 4. Except where the provisions of paragraph 1 of Article 9, or paragraphs 4 of Article 11 or Article 12, apply, interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same conditions as if they had been paid to a resident of the first-mentioned State.

5. Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly, by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of the first-mentioned State are or may be subjected.

6. The provisions of this Article shall apply to the taxes which are the subject of this Agreement.

2. The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at a satisfactory solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of taxation which is not in accordance with this Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the domestic law of the Contracting States.

3. The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties or doubts arising as to the interpretation or application of the Agreement. They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

EXCHANGE OF INFORMATION

1. The competent authorities of the Contracting States shall exchange such information as is foreseeably relevant for carrying out the provisions of this Agreement or to the administration or enforcement of the domestic laws concerning taxes of every kind and description imposed on behalf of the Contracting States, or of their local authorities, insofar as the taxation thereunder is not contrary to this Agreement. 3. In no case shall the provisions of paragraphs 1 and 2 of this Article be construed so as to impose on a Contracting State the obligation:

- (a) to carry out administrative measures at variance with the laws and administrative practice of that or of the other Contracting State;
- (b) to supply information which is not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

The obligation contained in the preceding sentence is subject to the limitations of paragraph 3 of this Article but in no case shall such limitations be construed to permit a Contracting State to decline to supply information solely because it has no domestic interest in such information.

5. In no case shall the provisions of paragraph 3 of this Article be construed to permit a Contracting State to decline to supply information solely because the information is held by a bank, other financial institution, nominee or person acting in an agency or a fiduciary capacity or because it relates to ownership interests in a person.
