1. Scope

This document outlines the procedures to make an application to pay Preliminary Income Tax by [SEPA Monthly Direct Debit](#) and to manage existing arrangements for payment by SEPA Monthly Direct Debit. An online service in ROS, Direct Debit Online (DDOL), was launched on 28th January 2013. This guideline replaces previous guidelines on SEPA Monthly Direct Debit for payment of Preliminary Income Tax and sets out the approach for a successful online application.

2. Purpose

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

3. Introduction

The facility to apply to pay current tax liabilities by [SEPA Monthly Direct Debit](#), hereafter referred to as Direct Debit, is currently available for VAT, Employer Income Tax/PRSI/USC/LPT and Preliminary Income Tax customers. Using Monthly Direct Debit to pay Preliminary Income Tax offers advantages to the customer and, in suitable cases, to Revenue. Some of the advantages to the customer include:

- Self-managing Direct Debit payments
- Spreading payments over a twelve-month period
- Avoiding a substantial one-off payment
- Availing of the 105% rule ([see below](#))

Processing of a Direct Debit Instruction will create a Direct Debit Mandate with a unique mandate reference number. The facility to pay by Direct Debit **is a concession** and Revenue may refuse a Direct Debit application or cancel an existing Direct Debit mandate.

Payments by Direct Debit are allocated against a customer's Preliminary Income Tax for the current year. If the customer fails to pay sufficient Preliminary Income Tax on the Direct Debit Scheme, resulting in an underpayment of Preliminary Income Tax, interest charges will arise. To avoid interest charges, payments must be at least:

- 90% of the final tax liability for the current year of assessment or,
- 100% of the tax liability for the preceding year of assessment or,
- 105% of the pre-preceding year for Direct Debit payers only (this option does not apply where the Income Tax payable in the pre-preceding year was NIL).

There are no restrictions to the number of amendments that a customer can make to the Direct Debit payment value for Preliminary Income Tax.

4. SEPA Monthly Direct Debit Scheme

Since the 31st March 2014, Direct Debits are collected under the Single Euro Payment Area Directive (SEPA) – known as the SEPA Monthly Direct Debit Core Scheme (SDD). Provided both the bank of the creditor (Revenue Commissioners) and the debtor (Payer/Customer) are SEPA compliant, the scheme allows a creditor to collect funds from a debtor's account once a mandate has been provided by the debtor to the creditor and creates, for the first time, a payment instrument that can be used for both national and cross border euro Direct Debits throughout the SEPA area. SEPA is comprised of the existing member states of the European Union, together with Iceland, Lichtenstein, Monaco, Norway, Switzerland and San Marino. It provides a standardised Direct Debit payment service that will enable consumers to pay for goods and services in any SEPA reachable country **without** having to open a bank account in that country.

The transfer of funds (money) between the debtor's bank and the creditor's bank always takes place in Euro currency.

The complete SEPA Core Direct Debit Scheme Rulebook is available from the [European Payments Council](#) (EPC) website.

5. Summary

The SEPA Monthly Direct Debit Scheme is for payment of current taxes and covers Local Property Tax, VAT, Employer Income Tax/PRSI/USC/LPT and Preliminary Income Tax **only**. Applications to use the [Direct Debit Scheme](#) for payment of Preliminary Income Tax should be made by customers or their agents online via [ROS](#). Direct Debit Online will allow customers or their agents to **Create/Amend/Cancel** their monthly Direct Debits. For a ROS guide, please refer to: [ROS User - Procedures](#). Once online, a customer must confirm that they agree to the [Terms and Conditions](#) of participation in the Direct Debit Scheme.

6. Process – Using Direct Debit Online

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

Customers availing of Direct Debit for Preliminary Income Tax must make a minimum of three debit payments in the first year and a minimum of eight debit payments in each subsequent year.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

The Direct Debit amount should be sufficient to meet customers' Preliminary Income Tax requirements as mentioned previously.

The first debit month for commencement on the Direct Debit Scheme for Preliminary Income Tax is selected by the customer subject to ensuring that the customer adheres to a minimum three debit payments rule in the first year and a minimum eight debit payments rule in each subsequent year.

Direct Debit deductions for Preliminary Income Tax are taken from the customer's bank account on **the ninth day** of each month (or the next working day where the ninth falls on a weekend or Bank Holiday).

Continued participation in the Direct Debit scheme is **conditional** on submission of annual returns and payments by the due dates.

The customer determines the value of the Direct Debit payment. Where a customer creates a Direct Debit instruction for Preliminary Income Tax, clicking on the "**Calculate**" option populates all months with the debit amount ([see example](#)). Only the [Suspend](#) fields remaining in the calendar year will be available for editing. For example, if the selected date is in May but the May debits have already been presented to the bank, then only June to December will be available to suspend.

In a scenario where there are not enough months remaining in the year to meet the minimum requirement for payments i.e. three payments in year one and eight payments in all subsequent years, then the following error message will be displayed to the customer on clicking the "**Calculate**" button:

You will not meet the required minimum payments rules based on

- 1) the number of months suspended and/or
- 2) the date of first debit month. Please refer to [Terms and Conditions](#).

If more than one Direct Debit Mandate was in place in the same calendar year for Preliminary Income Tax, debits on all mandates are included when validating the three and eight payments rules. For example, a customer sets up a Direct Debit Instruction in February and makes two debit payments and cancels the Direct Debit Instruction. The same customer sets up another Direct Debit Instruction in September. The debit payments on both Direct Debit Mandates will be counted when validating the three and eight payments rules.

Acceptance on the Direct Debit Scheme is determined online by successfully passing a number of validation rules. Failing any of these rules will result in customers being advised that they are not suitable to join the scheme.

Customers may be removed from the Direct Debit scheme where the Direct Debit Mandate is no longer active or the bank account details are incorrect.

NOTE: Direct Debits can only be deducted from a bank account and bank that are SEPA compliant. Direct Debits can also be deducted from a foreign bank account but **only** if the bank and the bank account are SEPA compliant.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

7. Validation Rules – Create a Direct Debit Instruction/Mandate

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

8. Process – Amend and Cancel Functions

- Customers may [amend](#) the value of the debit payment as often as they wish using Direct Debit Online.
- Customers have the option to [suspend](#) a number of [Direct Debit](#) payments but must ensure that remaining payments meet the three and eight payments rules.
- Customers can opt to [cancel](#) existing Direct Debit Instructions using Direct Debit Online.

9. Unpaid

The customer's bank may return a Direct Debit instruction to Revenue marked "unpaid" for a number of reasons.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

An automated letter issues to advise the customer of the cancelled Direct Debit and to seek payment to replace the unpaid Direct Debit. Customers will be removed from the

Direct Debit Scheme where the “reason” for the unpaid debit indicates that all future debits will also be rejected e.g. incorrect bank details/closed account.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

[...]

The onus is on the customer to ensure sufficient payments are made to meet Preliminary Income Tax liabilities.

The following material is either exempt from or not required to be published under the Freedom of Information Act 2014.

When creating a Direct Debit Instruction for Preliminary Income Tax, the customer must first select **“Date of First Debit”** and then input **“Amount to be debited each month”**. All monthly amount fields are populated by clicking **“Calculate”**.

The system will generate the first debit date but this can be adjusted if the customer wishes to commence deductions at a future date i.e. the customer creates an Income Tax Direct Debit in August but wants the Direct Debit to commence in October. This is acceptable as long as the three and eight payments rules are adhered to.

The customer must input the amount to be debited each month.

The customer may choose not to make payments for a number of months. To do this, the customer should tick the selected months in the **“Suspend”** column. However, the three and eight payments rules must be adhered to.

To populate the monthly amount fields the customer must use the **“Calculate”** button.

Click **“Next”** to proceed to the **DDOL Options Screen** with the request in the **“Your Requests”** area.

The main content area is titled 'SEPA Direct Debit Online' and features the SEPA logo and a list of bullet points explaining the SEPA Direct Debit Guarantee. Below this, there are two sections: 'IT - Income Tax' and 'Employer (PAYE/PRSI)'. The 'IT - Income Tax' section shows a status of 'In your requests' and a 'Number' field. The 'Employer (PAYE/PRSI)' section shows a status of 'N/A' and a 'Number' field. On the right side, there is a 'Your Requests (1)' section with a 'Submit' button highlighted by a red arrow. The 'Submit' button is located at the bottom of the 'Your Requests (1)' section, next to a 'Create' button. A red box highlights the 'Your Requests (1)' section header, and another red box highlights the 'Edit' and 'Cancel' buttons. A red arrow points to the 'Submit' button.

Customer must click “**Submit**” in the “**Your Requests**” area to proceed to the **Summary Screen**.

The SEPA Direct Debit Guarantee

SEPA
Single Euro Payments Area
For information on DD please see Revenue.ie

- This is a guarantee provided by your Bank as a member of the Direct Debit Scheme, in which Banks and Originators of Direct Debits participate.
- If you authorise payment by Direct Debit, then
 - your Direct Debit Originator will notify you in advance of the amounts to be debited to your account.
 - your Bank will accept and pay such debits, provided that your account has sufficient available funds.
- If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed an immediate refund by your Bank of the amount so charged where you notify your Bank without undue delay on becoming aware of the unauthorised Direct Debit, and in any event no later than 13 months after the date of debiting of such Direct Debit to your account.
- As part of your rights, you are entitled to a refund from your bank under the terms and conditions of your agreement with your bank. A refund must be claimed within 8 weeks starting from the date on which your account was debited. Your rights are explained in a statement that you can obtain from your bank.
- You can instruct your Bank to refuse a Direct Debit payment by writing in good time to your Bank.
- You can cancel the Direct Debit Instruction in good time by writing to your Bank.

Confirmation of the Direct Debit instruction with a notice number will issue to the customer's ROS Inbox showing the Status as **“Success”**.

CANCEL A DIRECT DEBIT INSTRUCTION/MANDATE FOR PRELIMINARY INCOME TAX

On selecting the “**Cancel**” option the following message will be displayed:

“Your Direct Debit Instruction will be cancelled permanently. Should you choose to re-apply to avail of the Direct Debit Scheme for paying Preliminary Income Tax, you will be required to make a minimum of 8 payments in all future years.”

If the customer has used the **Manage Mandate** option when creating the Direct Debit Instruction, cancellations must be executed using the **Amend** function. When using the **Amend** option the customer must carefully select a particular Direct Debit Instruction for cancellation. Otherwise all Direct Debit Instructions for a particular tax may be cancelled.

The request will then be added to the “**Your Requests**” area where the option to cancel the “**Cancel**” request will exist. There will also be an option to “**Edit**” the request in the “**Your Requests**” area. Additionally, if a customer has an active instruction attached to a ceased tax registration number, then the tax registration will display on the **DDOL Options Screen** with “**Cancel**” as the only option available. If there is no active instruction associated with a ceased tax registration, then the tax registration will not be displayed.

Once the “**Cancel**” request has been added to the “**Your Requests**” area, the customer can select “**Submit**” to proceed to the **Summary Screen**. At this point, any **Cancel** request will also have a drop down menu associated with it. This drop-down menu will contain a list of reasons for cancellation and the customer will be required to select a reason per cancellation request.

The cancellation reasons are as follows (in order):

- Revert to standard filing pattern.
- Ceased Trading.
- Customer Deceased
