1. Introduction

This guide outlines the options available to traders for the payment of Customs Duty, VAT, Excise and VRT on imports through Revenue's AEP system.

1.1. Deferred Payment:

A Deferred Payment authorisation allows traders to defer payment of duties and taxes. In all instances lodgment of a guarantee and compliance with the conditions of the authorisation is required. The authorisation allows the approved trader to pay the duties/taxes due by direct debit on a date in the month following the transactions. (Refer to Section 5 of this manual for Direct Debit dates)

Excise Traders operating from a warehouse must have a deferred payment facility in place.

1.2. Cash Payment:

1.2.1. Customs & Excise Traders

Customs & Excise payments can be made through RevPay by Credit Card, Debit Card, or transfer from the payer's bank account by Single Debit Instruction (SDI). This will allow instant access to the payment on the TAN account without having to contact the relevant cash office. RevPay is Revenue's online portal, which facilitates taxpayers in making electronic payments. Customers can access this secure online application, either through ROS or My Account.

Further information on C&E payments through RevPay is available at the following link:

[eCustoms Notification 008-2019](#)

1.2.2. VRT Traders

In addition to the Deferred Payment Scheme, a trader can operate on a cash basis. Such payments can be made by Electronic Fund Transfer (EFT). Credit must be available on the TAN account before a transaction is submitted. After a transaction is made to a TAN account the credit remaining rolls over, from day to day and month to month. No prior authorisation is required to operate on a cash basis.

1.3. Balance Enquiry Request

1.3.1. Customs & Excise Traders

The Customs and Excise balance enquiry request service allows Customs and Excise traders to view a current Customs and Excise balance on their Revenue account. Traders can request a current balance and get an instant response. This service may be used if you are registered both as a customs and excise trader and for ROS.

Further information is available at the following link:

[Excise Balance Enquiry](#)

1.3.2. VRT Traders

The VRT balance enquiry request service allows motor traders to view a current VRT balance on their Revenue account. Traders can request a current balance and get a response sent to their ROS Inbox. You can use this service if you are registered both as a VRT authorised trader and for ROS.

2. Setting up a Deferred Payment Facility for Customs and Excise

Existing or new applicants who wish to use their Deferred Payment Facility for import of goods from outside of the EU and to import or move goods within the EU will be required to have two separate Bank Guarantees. Revenue advises any traders intending on setting up a Deferred Payment account as described in this paragraph to contact the AEP accounts (Refer to Section 8 of this manual for Contact Details) in advance of submitting an application.

2.1. Custom Traders setting up a Deferred Payment Facility

Existing holders of Deferred Payment accounts that import goods from outside of the European Union will be obliged to apply for a formal Deferred Payment authorisation, following approval for a comprehensive guarantee, before 1st May 2019.

Applications for both a comprehensive guarantee and a deferred payment authorisation must be submitted through the electronic EU Customs Decision System – see links below;

- [Comprehensive Guarantee](#)
- [Deferred Payment Authorisation Forms](#)
- [CDS System](#)

Customs traders may apply for an associated trader authorisation. This authorisation allows an associated trader to make payment of customs duty and other charges against a principal's account. To be approved for this authorisation on a deferred account you must include the details of associated traders on your comprehensive guarantee form of undertaking.

2.2. Excise Traders setting up a Deferred Payment Facility

Excise Traders wishing to move excisable goods within the EU must complete paper application forms. The application forms must be signed by a Company Secretary or Director in the case of a limited or other incorporated company. In the case of a partnership by one of the partners, or in the case of a sole proprietorship, by the proprietor. The only exception to the above is where there is a non- resident Secretary/Director of the company in Ireland. In this instance an individual, who has power of attorney, may sign the forms. However, a copy of the power of attorney must be forwarded with the application.

The guarantee must be provided by a bank/credit institution authorised to carry on banking business in the State under Irish legislation. The guarantee must be branded with the bank/credit institution official stamp respectively. The Irish Central Bank website may be consulted for a list of those bank/credit institutions authorised to carry on business in the State.

All duty payments on excisable alcoholic products withdrawn from a warehouse by authorised traders must be secured by way of a Deferred Payment Guarantee (Bank Direct Debit Scheme).

Approved traders must also indicate in writing, the portion of the deferred guarantee they wish to allocate to particular warehouses and the name of their Revenue Control Officer.

All excise duty payments on EDE may be paid by deferred payment arrangement or by Cash as per details under 1.2.2.

Application forms for Deferred Payment Approval are available in the link below:

2.3. VRT Traders setting up a Deferred Payment Facility

VRT Traders wishing to setup a deferred payment facility must complete paper application forms. Application forms must be signed by a Company Secretary or Director in the case of a limited or other incorporated company. In the case of a partnership by one of the partners, or in the case of a sole proprietorship, by the proprietor. The only exception to the above is where there is a non- resident Secretary/Director of the company in Ireland. In this instance an individual, who has power of attorney, may sign the forms. However, a copy of the power of attorney must be forwarded with the application.

The guarantee must be provided by a bank/credit institution authorised to carry on banking business in the State under Irish legislation. The guarantee must be branded with the bank/credit institution official stamp respectively. The Irish Central Bank website may be consulted for a list of those bank/credit institutions authorised to carry on business in the State.

3. Cancellation of Guarantee:

3.1. Customs Traders - Comprehensive Guarantees

The customs office may revoke the approval of the undertaking by a guarantor at any time. The customs office shall notify the revocation to the guarantor and the Trader.

The revocation of the approval of the guarantor or of the undertaking of the guarantor shall take effect on the 16th day following the date on which the decision on the revocation is received or is deemed to have been received by the guarantor.

A guarantor may cancel his undertaking at any time. The guarantor shall notify the cancellation to the customs office of guarantee.

The cancellation of the undertaking by the guarantor shall take effect on the 16th day following the date on which the cancellation is notified by the guarantor to the customs office where the guarantee was provided.

3.2. VRT and Excise Traders

The guarantee is ongoing and stays in place until cancelled in writing by the Guarantor giving 7 days notice.

Approval of an Authorisation may be revoked by the competent authority where the holder of the authorisation fails to fulfil the conditions laid down for the authorisation.

Please note that a guarantee can only be cancelled by the Guarantor.

4. Insufficient Guarantee

4.1. Customs Traders under Comprehensive Guarantee

A Customs trader's guarantee may be topped up as follows:

1. Apply for an amendment to the [Comprehensive Guarantee](#) and/or
2. Customs payments can be made through RevPay by Credit Card, Debit Card, or transfer from the payer's bank account by Single Debit Instruction (SDI). This will allow instant access to the payment on the TAN account without having to contact the relevant cash office. RevPay is Revenue's online portal, which facilitates taxpayers in making electronic payments. Customers can access this secure online application, either through ROS or My Account.

Further information on C&E payments through RevPay is available at the following link:

[eCustoms Notification 008-2019](#)

4.2. Excise Traders

Excise trader's guarantees may be topped up as follows:

1. A new [guarantee form](#) can be completed by the Guarantor for the new amount, and/or
2. Excise payments can be made through RevPay by Credit Card, Debit Card, or transfer from the payer's bank account by Single Debit Instruction (SDI). 3. Payment of October, November and Half of December liability is due four working days in advance of December 25th.

7. Trader Statements & Transactions

7.1. Monthly Statements

During each month a trader may receive two monthly statements outlining the balance of their C&E accounts. These statements are issued after each bank run. VRT account traders may only receive one monthly statement. If traders have multiple C&E and/or VRT accounts they will receive a statement for each account. Statements are only produced in respect of the "Payer", i.e. they are not produced for declarants etc.

All traders will receive a statement with the exception of those who have only one transaction and one payment balancing this transaction on their account. These statements should reach the payer no less than five days before the money is debited from the trader's bank.

The Monthly Statement will contain lists of all transactions and will be available to view on [ROS](#).

7.2. Weekly Transaction List

A weekly transaction list is also available on ROS. Weekly transaction lists are produced for the Declarant and Importer/Exporter. They display all transactions that were received from Monday to Sunday for the targeted week. For any week that is split across two months, two separate reports may issue – one for each of the corresponding months.

If a customer has multiple C&E accounts they will receive a weekly transaction list for each C&E account. Similar weekly transaction lists are available for VRT customers.
