IREF declarations

Section 739K(1) defines a specified person for the purposes of Chapter 1B. A number of persons are specifically excluded from being specified persons provided that the appropriate declaration form has been provided to the IREF immediately before the IREF taxable event.

The authorised IREF declaration forms are included at the end of this manual for the following unit holders:

- Pension Scheme
- PRSA (including vested PRSA) Administrator
- PEPP (including a vested PEPP) Provider
- ARF¹
- UK Superannuation Scheme
- Investment undertaking (or a sub-fund that is a unit holder in another sub-fund of the same umbrella scheme)
- Company carrying on life business
- Charity
- UK Charity
- Credit Union
- Qualifying Company
- Qualifying intermediaries acting on behalf of pension schemes, PRSAs (including vested PRSAs), PEPP (including vested PEPP), ARFs, equivalent EU or EEA pension schemes, charities or credit unions.

The happening of an IREF taxable event in the absence of an appropriate declaration triggers a charge to IREF withholding tax, which is only refundable in certain limited circumstances (e.g. DTA relief).

Revenue introduced transitional arrangements to assist IREFs in getting the appropriate declarations in place where the IREF taxable event occurred prior to 30 June 2017. These transitional arrangements have now expired.

¹ Section 14 of Finance Act 2021 removed the specified income requirement for individuals exercising an ARF option and made a number of changes to AMRF legislation, effectively abolishing them. Any AMRFs immediately became ARFs on 1 January 2022.
