Appendix I – ROS Registration & Reporting Entity Registration

5.1 Register for ROS

This step is only relevant if the Customer is not already registered for ROS.

The Customer must register for ROS using the Tax Registration Number provided by Revenue. If the Customer does not have a Tax Registration Number but has a DAC6 Reporting Obligation in Ireland, please see Section 5.2 in order to obtain a Reporting Entity Number.

Details on how to register for ROS are available on the Revenue website.

For queries relating to ROS please contact the Revenue ROS Technical Helpdesk:

- Email at roshelp@revenue.ie
- Telephone at 01 738 3699, International customers may contact via the email address above or call +353 1 738 3699
5.2 Register as a Reporting Entity

This is a Customer that is only being registered with Revenue in order to file reporting obligations (i.e. they have no tax obligations in Ireland).

If the Customer does not have a Tax Reference number and is not registered for ROS but is obliged to fulfil a DAC6 Reporting Obligation, the Customer must register with Revenue as a ‘Reporting Entity’. This process should not be confused with a Tax Registration. Where a Customer registers as a Reporting Entity, it will only be able to fulfil its DAC6 Reporting obligations, that is, it is not required to file tax returns e.g. Corporate Tax returns.

In order to register as a reporting Entity, the Customer must contact VIMA on +353 42 9353337. The Customer will be issued with a Reporting Entity Registration Number, which will be in the format of 7 digits followed by 2 letters (e.g. 1234567AA).
6  Appendix II – Agent Creating Reporting Entity Number

6.1  Creating a Reporting Entity as an Agent

A Reporting Entity is created only in cases where the Customer has no tax obligations in Ireland but needs to register with Revenue in order to fulfil their reporting obligations.

If the Customer does not have a Tax Reference Number and is not registered on ROS but is obliged to register on ROS to fulfil a DAC6 Reporting Obligation, the Agent must register the Customer with Revenue as a 'Reporting Entity'. This process should not be confused with a Tax Registration. Where a Customer is registered as a Reporting Entity, the Customer will only be able to fulfil its DAC6 Reporting obligations, that is, the Customer is not required to file tax returns e.g. Corporate Tax returns. Where a Client already has an Irish Tax Registration Number or Reporting Entity Number, this option should not be used as it will create duplicate filing obligations.

When an Agent is registering a Customer as a Reporting Entity for DAC6 Reporting purposes, it is possible for an Agent to register a DAC6 Reporting Obligation at the same time. The process is set out in steps 6.1.1 to 6.1.12 below.

For queries relating to ROS please contact the ROS Technical Helpdesk:

- Email at roshelp@revenue.ie
- Telephone at 01 738 3699, International customers may contact via the email address above or call +353 1 738 3699

For queries relating to registering a Reporting Obligation, please contact Revenue’s VIMA (VIES, Intrastat and Mutual Assistance) office:

- Via MyEnquiries, selecting AEOI (Automatic Exchange of Information) and DAC6
- Telephone at +353 42 9353337

6.1.1  Log into ROS.
6.1.2 On the “Tain Services” tab, select “Register New Reporting Entity” on the bottom right-hand corner of the screen.
