4 MyEnquiries accessed from Local Property Tax (LPT)	12
5 Problems with registration, login etc.....	13

1 Access to MyEnquiries via myAccount, ROS or LPT

1.1 myAccount

myAccount is a single access point, with a single login and password, for Revenue's online services for PAYE customers. You can register for this service on [Register for myAccount](#).

See paragraph 2 of this manual for more detailed information about MyEnquiries in myAccount.

1.2 ROS

Business customers who have a ROS digital certificate can access MyEnquiries using the 'My Services' tab under 'Other Services'.

Business customers who do not have an active ROS digital certificate can [register for ROS](#). (Please note that if business customers register for ROS in order to access MyEnquiries they will receive their tax returns and other correspondence electronically rather than in paper format.)

Foreign-based agents/advisors who have a TAIN but have no Irish tax reference number can register for ROS using their TAIN (i.e. no tax reference number is required).

See paragraph 3 of this manual for more detailed information about MyEnquiries in ROS.

1.3 MyEnquiries link from Local Property Tax (LPT)

MyEnquiries can be accessed from LPT by clicking on the 'MyEnquiries' button at the top of the LPT screen.

See paragraph 4 of this manual for more detailed information about MyEnquiries in LPT.

2 MyEnquiries in myAccount

MyEnquiries can be accessed in myAccount by:

- clicking on the MyEnquiries link under 'Manage my record', or
- clicking on MyEnquiries in the taskbar at the top right of myAccount.

You are brought directly to the Enquiries Record screen (Inbox).

The email address contact information in myAccount can be updated in the 'MyProfile' screens by clicking on 'MyDetails' and updating the 'Contact details'. Notifications about replies to Enquiries are sent to the email address on a customer's record.

Refer to Tax and Duty Manual (TDM) [Part 37-00-36B](#) for further information on how to submit enquiries via myAccount.

3 MyEnquiries in ROS

3.1 Link to MyEnquiries (Individuals)

In the case of individual customers, the link to MyEnquiries can be found under the 'My Services' tab in the 'Other Services' section.

Note: customers can add ROS services to 'My Frequently Used Services' and MyEnquiries is also accessible from there.

Figure 2: ROS access to MyEnquiries (Individual's screen)

3.2 Link to MyEnquiries (Agents/Advisors)

Agents and advisors can access the link to MyEnquiries in the 'Agent Services' tab and then in the 'Other Services' section.

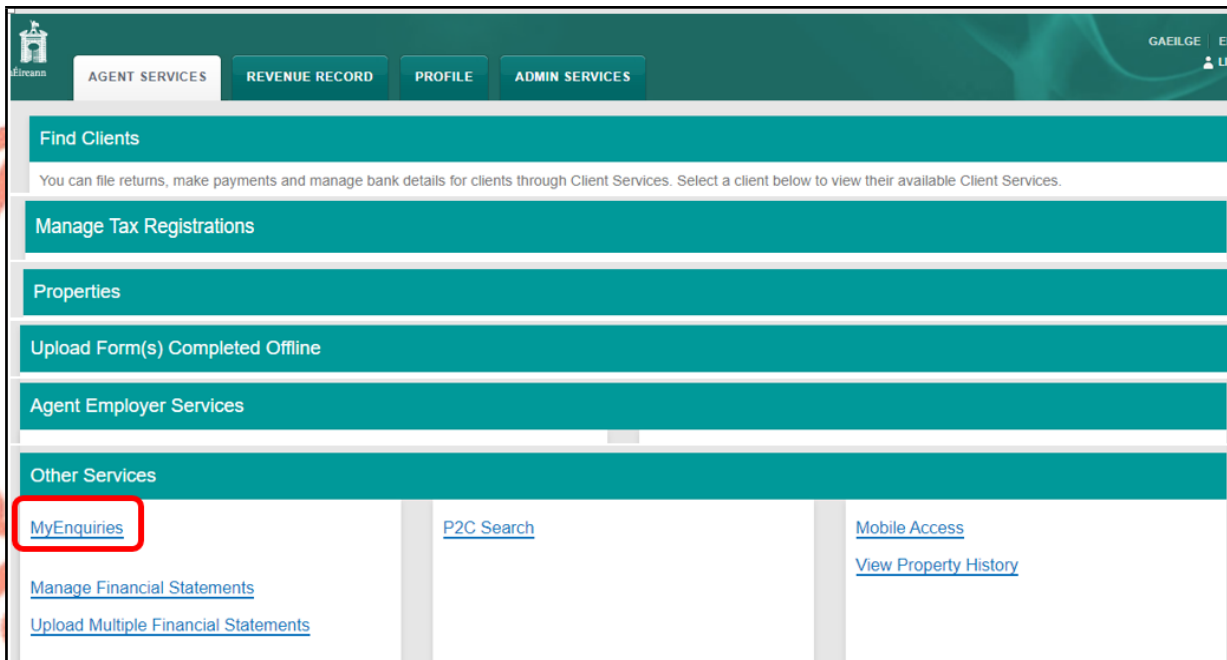

Figure 3: ROS access to MyEnquiries (Agent's TAIN screen)

3.3 ROS Administrator – access and management functions

3.3.1 Access

The MyEnquiries icon is always visible to ROS administrators. For 'sub-users' the icon only displays if the user has permissions on an active MyEnquiries email address and have been set up for MyEnquiries by the ROS Administrator.

For 'sub-users' the icon only displays if the sub-user has been given permissions on an active MyEnquiries email address by the ROS Administrator. Sub-user MyEnquiries access is managed from Admin Services tab using the Manage My Enquiries Permissions option.

If no email address has been set up, the Administrator receives the following message when they click on the 'MyEnquiries' icon. This message explains how to set up an email address for use with MyEnquiries.

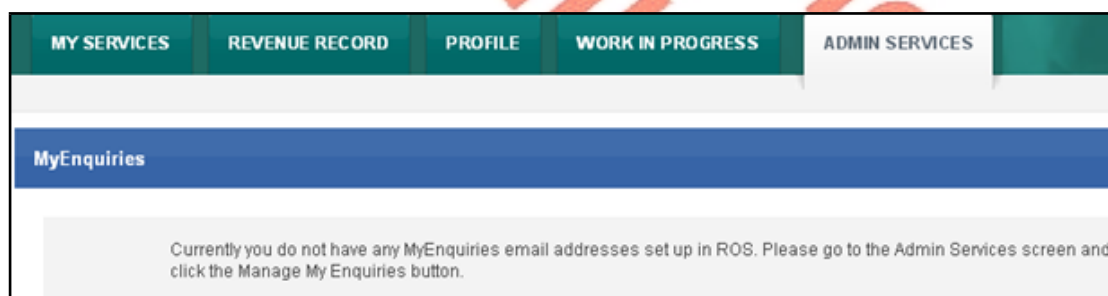

Figure 4: ROS Informational screen

3.3.2 MyEnquiries auto-registration for new ROS Registrations

As an enhancement to ROS, since 25/6/22, MyEnquiries access will be automatic for ROS Administrators.

When a ROS Administrator carries out Step One of the ROS registration process, a contact email address must be entered. That email address will be added as an active MyEnquiries email address.

The ROS Administrator can subsequently login to their MyEnquiries application, via My Services' tab (individual) in the 'Other Services' section, Fig 2 or 'TAIN Services' (agent\advisors) tab in the 'Other Services' section, Fig 3.

This email will automatically activate MyEnquiries if it is not already active. It will enable the ROS Administrator to select that email address when using MyEnquiries without needing to add it through the Admin Services tab, see below Fig 7, page 8.

Sub-user access is not automatic and must be managed by the ROS Administrator.

3.3.3 Management and administration functions

Clicking the 'Admin Services' tab at the top of the screen brings the user to the Administration Services page from where they can access the MyEnquiries administration functions.

The screenshot shows the 'Admin Services' page with a navigation bar at the top containing 'AGENT SERVICES', 'REVENUE RECORD', 'PROFILE', and 'ADMIN SERVICES'. Below the navigation bar is a teal header for 'Administration Services'. The main content area includes instructions for selecting individuals and applying certificates, followed by a table of sub-users. The table has columns for 'Select', 'Surname', 'Firstname', 'ID Ref.', 'System Password', and 'Status'. A single row is visible with the following data: 'SUB-CERT', 'TEST', 'MC TEST', and 'REGISTERED'. To the right of the table is a vertical list of blue buttons: 'Add New', 'View', 'Revise', 'MyEnquiries Permissions', 'Amend ROS Email Addresses', 'Revoke', 'Promote', 'Suspend', and 'Restore'. At the bottom left, there is a section for 'Other Functions' with a 'Manage MyEnquiries' button. The 'MyEnquiries Permissions' button in the list and the 'Manage MyEnquiries' button at the bottom are both highlighted with red rectangular boxes.

Select	Surname	Firstname	ID Ref.	System Password	Status
<input type="radio"/>	SUB-CERT	TEST	MC TEST	🔒	REGISTERED

Figure 5: 'Admin Services' screen

The ROS Administrator can grant MyEnquiries access to sub-users by selecting the sub-user and clicking the 'MyEnquiries Permissions' button. Access to MyEnquiries is determined by email address and the tax registration number or TAIN associated with the ROS digital certificate. It is possible to set up more than one email address.

Sub-users who share the same (or group) email address for MyEnquiries can view the same enquiries and Revenue replies. It is the responsibility of the ROS Administrator to manage sub-user access to MyEnquiries through the management of email addresses. Sub-users with

Administrator permissions also have access to the 'Admin Services' tab and the MyEnquiries management function buttons.

If no sub-users are set up, the screen looks like this:

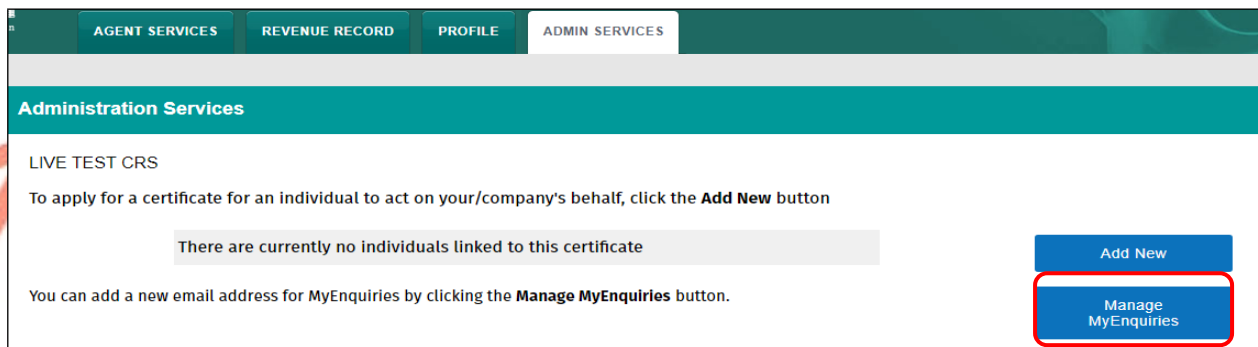

Figure 6: 'Admin Services' screen (no sub-users)

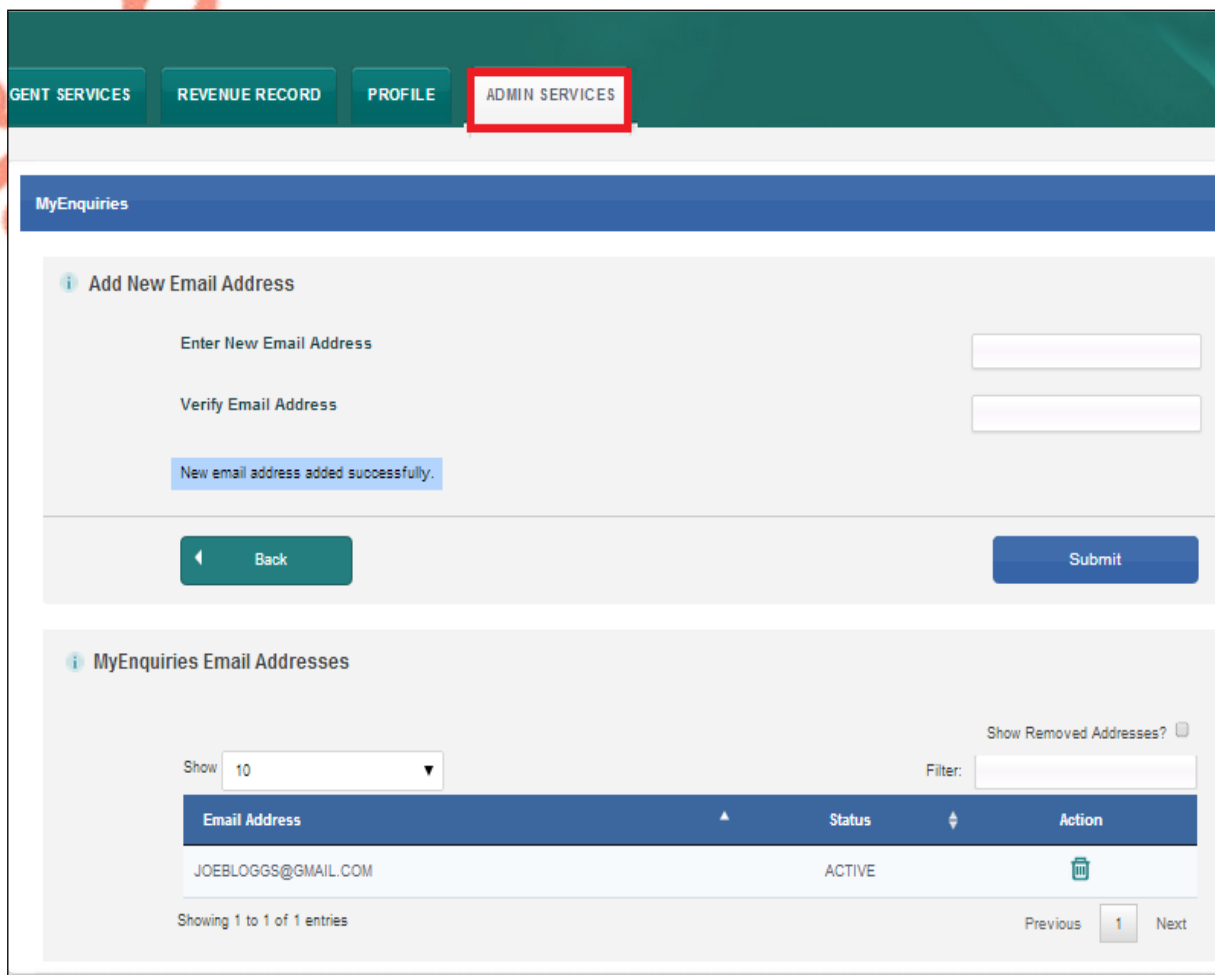

Figure 7: ROS 'Setting up an email address for MyEnquiries' screen

ROS Administrators can set up one or more email address for use with MyEnquiries. Old email addresses can be deactivated but not deleted. The ROS Administrator can access all enquiries submitted under any of the email addresses set up in this way. To set up a sub-user for MyEnquiries, the email address of the sub-user must first be set up in 'MyEnquiries Permissions'.

3.4 Sub-User access

ROS Administrators can give sub-users access to MyEnquiries by allowing them access to an email address that has permission to access MyEnquiries.

Please note that access is based on the email address. If two users are given permission to access MyEnquiries with the same email address, for example a group email address, they can view each other's queries regardless of whether they are an Administrator or a sub-user.

In the 'Admin Services' tab, select the sub-user and click the "MyEnquiries Permissions" button.

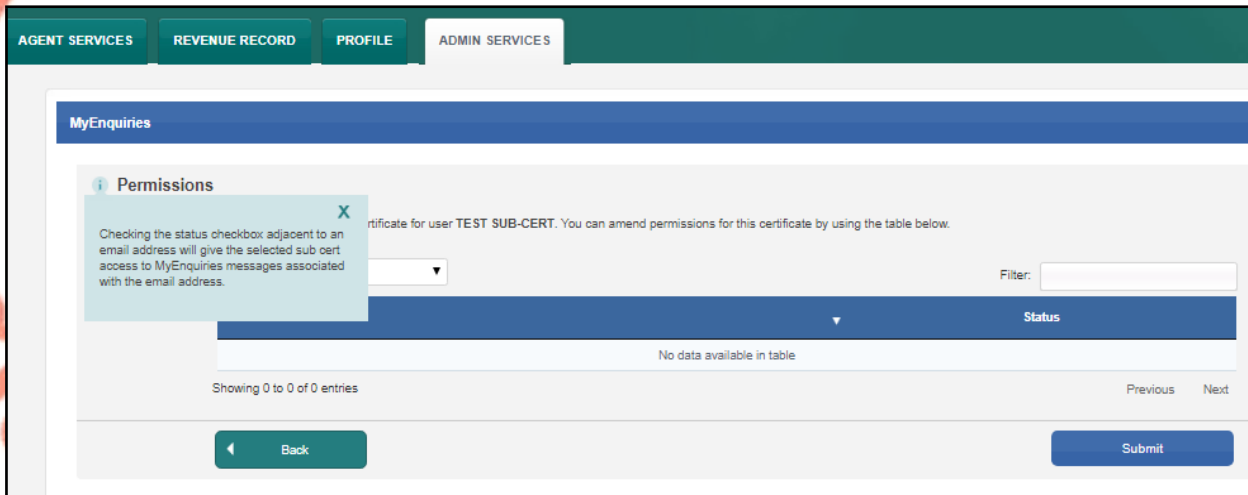

Figure 8: ROS 'Sub-User Access' screen

This links to the 'Permissions' screen.

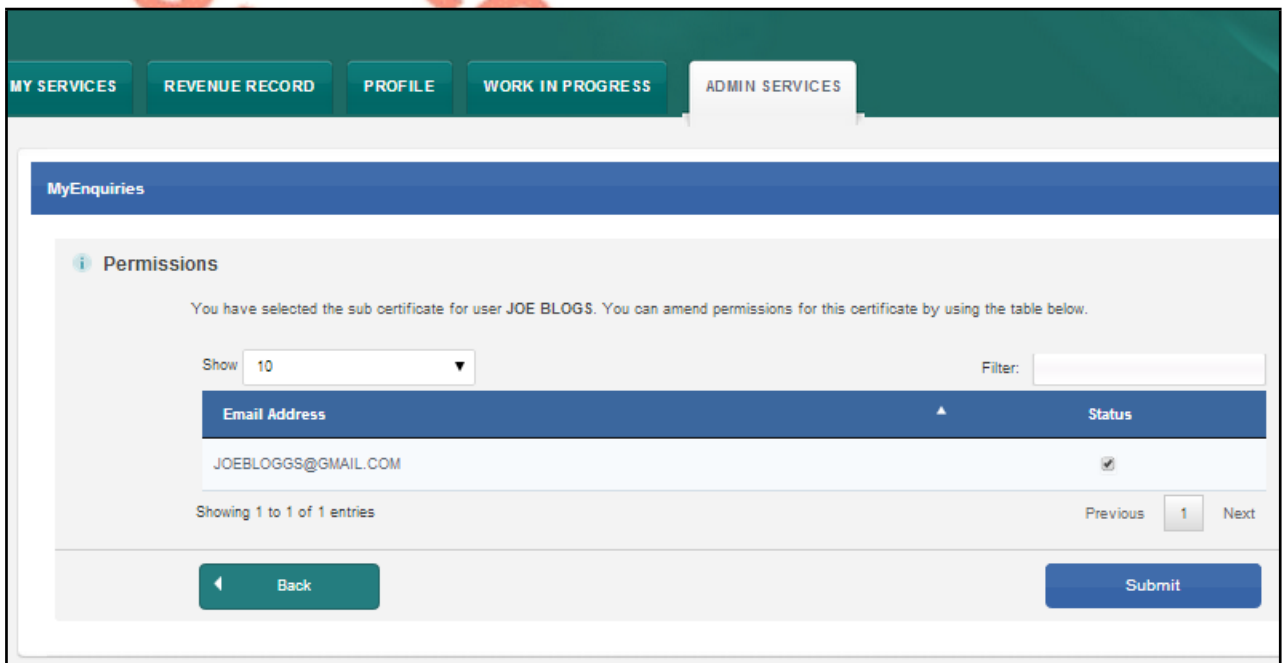

Figure 9: ROS 'Permissions' screen

- Tick the Status box beside the email address the sub-user is using for MyEnquiries (more than one email address can be selected).
- Submit the changes.
- The same process works in reverse – untick the box to remove permissions.

3.5 Accessing MyEnquiries

ROS Administrator: If more than one email address has been set up in ROS, users have the option to select which of those email addresses they want to use at that time.

Sub-user: If the ROS Administrator has set up more than one email address for the sub-user to use with MyEnquiries, they must select the email address they wish to use at that time.

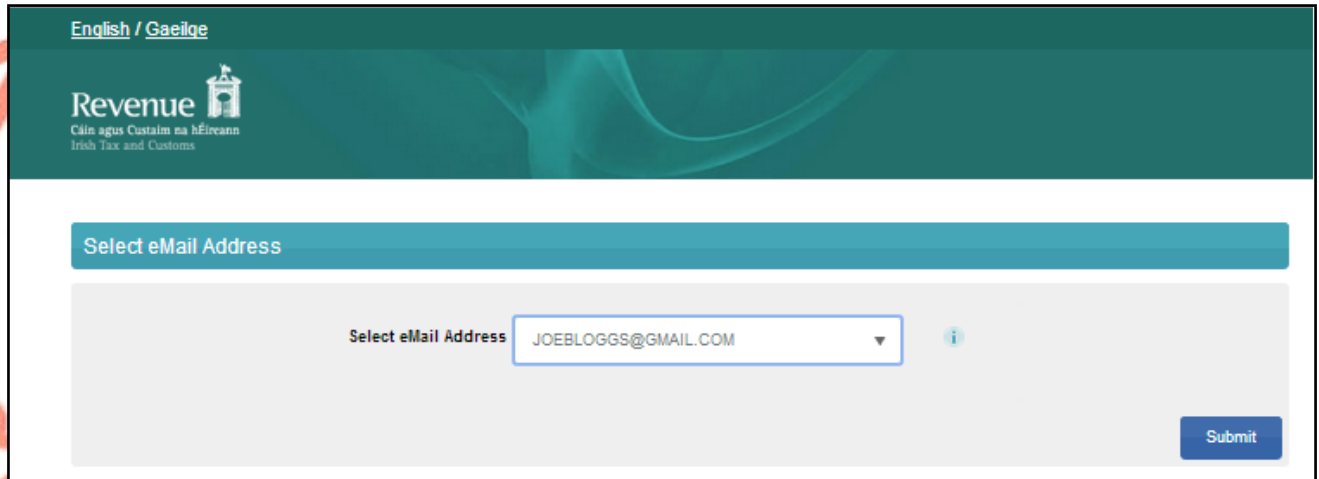

Figure 10: 'Select eMail Address' screen

The Enquiries Record screen (Inbox) for the selected email address is displayed. Only one email address can be viewed at a time. A user must exit MyEnquiries to select another email address.

An enquiry can be submitted by clicking the 'Add New Enquiry' button which brings up the 'Add a New Enquiry' screen below.

Further information on how to submit enquiries can be found in the Tax and Duty Manual [Part 37-00-36C](#) MyEnquiries: Submitting and Managing Enquiries in ROS.

3.6 Removing email addresses

Email addresses may be deactivated by removing them from the list of Email Addresses in the Manage My Enquiries option. This is done by clicking the bin symbol. The email address is hidden, not deleted. **Note, however, that enquiries raised under email addresses which are removed in this way are no longer visible.** To view those enquiries, the email address must be restored.

An email address may be restored by ticking the checkbox "Show removed email addresses" and then clicking the circular arrow to the right of the required email address.

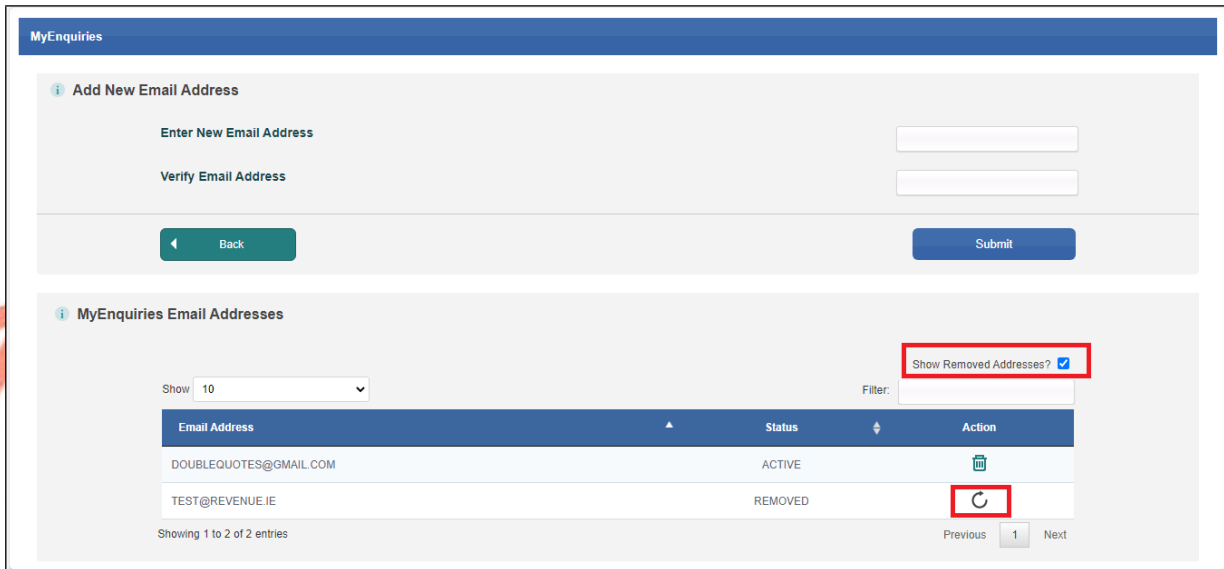

Figure 11: 'Remove eMail Address' screen

4 MyEnquiries accessed from Local Property Tax (LPT)

MyEnquiries link from Local Property Tax (LPT)

MyEnquiries can be accessed from LPT by clicking on the 'MyEnquiries' button at the top of your LPT screen.

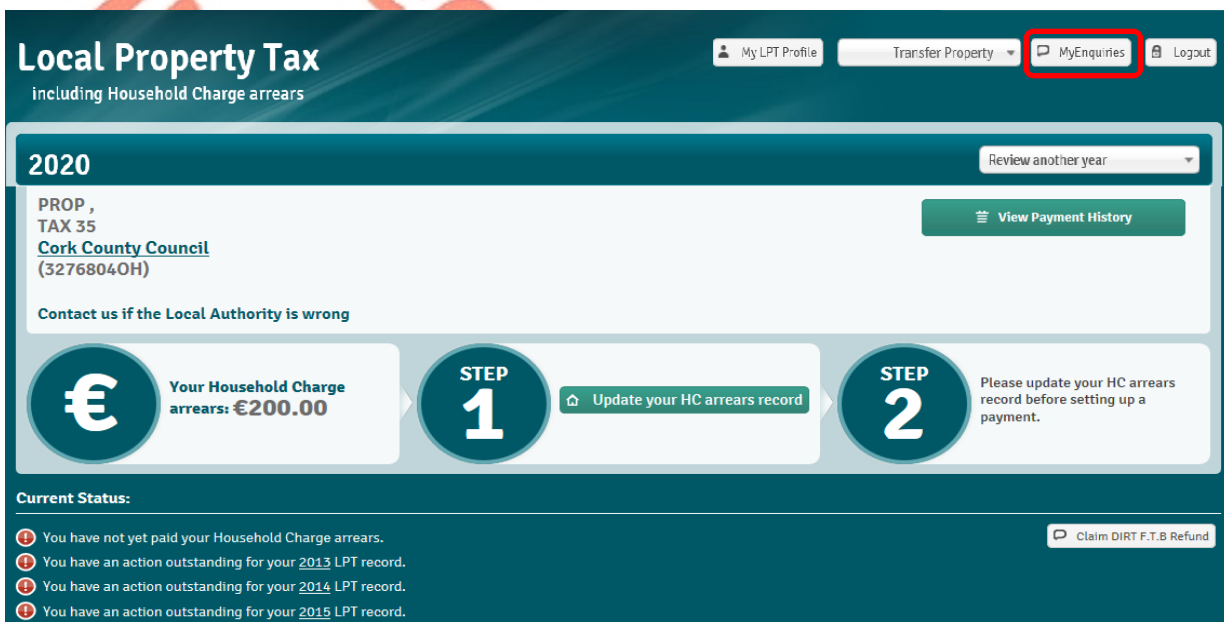

Figure 12: LPT screen

You will be brought directly to the Enquiries Record screen (Inbox).

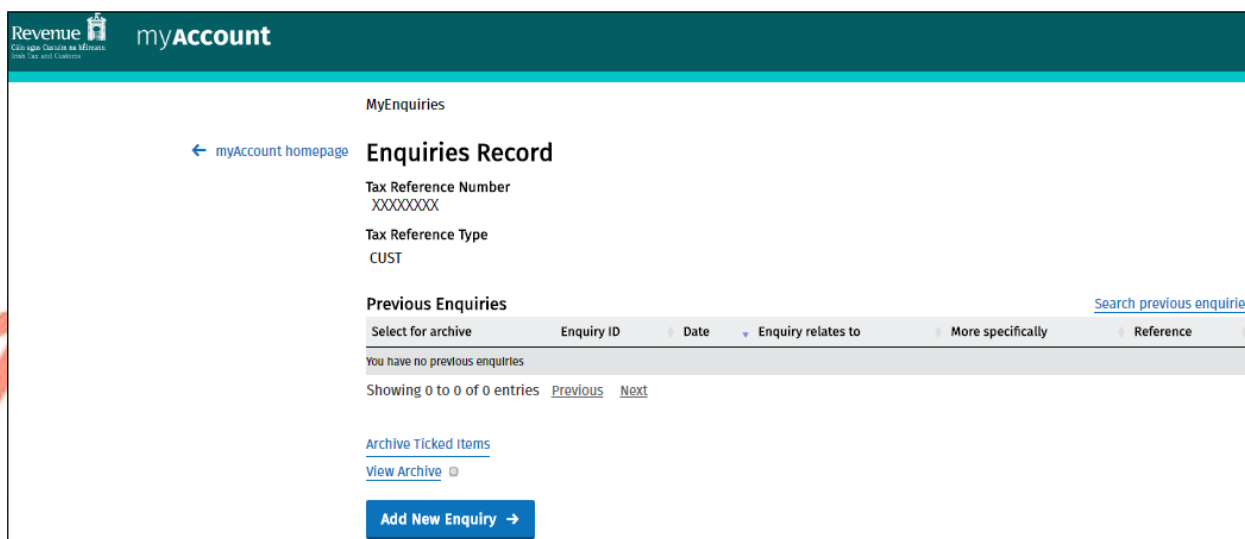

Figure 13: Enquiries Record screen (Inbox)

You can submit an enquiry by clicking the 'Add New Enquiry' button which brings you to the 'Add a New Enquiry' screen.

5 Problems with registration, login etc.

- **MyEnquiries:** If you experience any difficulty in using MyEnquiries you should email MyEnquiries@revenue.ie. **Please note that this mailbox should not be used to**
 - submit general taxation queries, or**
 - seek progress reports on previous enquiries submitted via MyEnquiries (which can be done through the tracking facility as set out in the linked manual [Part 37-00-36D](#)).**

Personal Division operate this mailbox and deal with any enquiries regarding the operation of MyEnquiries.

- **myAccount:** If you have any difficulty registering for myAccount you should contact the myAccount Registration Unit as below
 - phone: 01 738 36 91
(callers from outside the Republic of Ireland should use + 353 1 738 36 91)
 - Email: RegisterForMyAccount@revenue.ie.
- **ROS:** If you need technical assistance with using ROS or logging in, you should call the ROS Helpdesk on 01 738 36 99.
(Callers from outside the Republic of Ireland should use + 353 1 738 36 99).
