The purpose of this manual is to provide information for PAYE customers on how to review their tax using MyGovID or myAccount.

‘Review your tax’ allows you to:
- create, view and print a secure PDF of your Employment Detail Summary (for 2019 and future years)
- submit an Income Tax Return
- obtain a Statement of Liability.

If you wish to use this service, you must be registered for either MyGovID or myAccount.

1.1 Covid-19 information for taxpayers and their agents

In response to the impact of the Covid-19 Pandemic on the Irish economy, in 2020 the Government introduced a number of schemes and incentives to support employers and their employees. Please see paragraph 3.3 for further information in relation to these schemes and incentives.

2 Accessing PAYE Services - Review your tax

The ‘Review your tax’ service is accessed from PAYE Services in myAccount. Accessing this service allows you to complete an Income Tax Return and request Statements of Liability for the years 2019-2022 inclusive.

Figure 1: PAYE Services in myAccount.

Customers can claim tax relief in real time in respect of expenditure incurred on Health, Nursing Home and Remote Working Expenses. This means the customer can make a claim as they incur the individual expense item. Further information can be found on www.revenue.ie or by accessing Tax & Duty Manual, part 38-06-04- PAYE Services: Manage your Tax.

3.8 Miscellaneous

3.8.1 Saving a partially completed Income Tax Return

The Income Tax Return will automatically save as you progress through the screens. If you do not sign and submit the form, it will remain saved, and you can complete and submit it at a later stage. The status indicator on the Income Tax Return for the relevant year will show as ‘Saved’. However, any changes to your record, (for example, if Revenue has received details of additional DSP income for you from The
Department of Social Protection) since you last accessed the Income Tax Return, will not be reflected in the saved form. You will be advised of this and told to delete the saved form.

### 3.8.3 Amending a submitted Income Tax Return

All fields can be edited except:

- Information that has been received directly from the DSP or from your employer(s) or pension provider(s)
- Pay, tax and USC details already on Revenue record
- Some auto-calculated fields for certain tax credits and incomes.

When you chose to amend an Income Tax Return, the form will be pre-populated with the latest information available to Revenue and therefore this may differ from
the information pre-populated on the original Income Tax Return submitted. You will be required to confirm that this information is correct or update as necessary.

3.9 Status Indicator
The status indicator in each year will identify if the service is available to you. The different status indicators are as follows:

i. Available: This means that you can submit an Income Tax Return.

ii. Required by 31/10/YY: You are required to submit the Income Tax Return by this date.

iii. Outstanding since 31/10/YY: You are required to submit an Income Tax Return and the due date has passed.

iv. Saved: There is a partially saved Income Tax Return which has not been submitted.

When a customer requests a Preliminary End of Year Statement the status indicator will still show as ‘Request’ until the Statement of Liability has issued. At that point the indicator will convert to ‘View’. If a customer clicks the ‘Request’ link when a Statement of Liability is currently being processed the following message will display:

![Processing request](image)

Figure 18: SOL processing request screen

3.10 Viewing a Statement of Liability:
If you make an online submission, you can view the Statement of Liability in ‘My Documents’ generally within 3-5 working days of the request. You will receive an email from Revenue to advise that you have new correspondence.

The spouse or civil partner in joint assessment cases will also be able to view a copy of the Statement of Liability in ‘My Documents’

3.11 Joint Assessment Cases:
In joint assessed cases, either spouse/civil partner can request a Statement of Liability. Only the assessable spouse or nominated civil partner can complete the Income Tax Return. However, the non-assessable spouse or civil partner can elect to be the assessable spouse/nominated civil partner for the relevant year so they can complete and submit the Income Tax Return. This only relates to PAYE customers and does not apply to Income Tax registered customers.
If a customer elects to be the assessable spouse/nominated civil partner, they will be directed to complete the Income Tax Return for the relevant year.

Figure 19: Non-assessable spouse/civil partner election screens

The assessable spouse/nominated civil partner can change until such time as the Income Tax Return has been submitted.
