

## **Broadcasting services**

The following are examples of broadcasting services:

- radio or television programmes transmitted or retransmitted over a radio or television network
- radio or television programmes distributed via the Internet or similar electronic network (IP streaming) if they are broadcast simultaneously to their being transmitted or retransmitted over a radio or television network

## **Services not considered to be broadcasting services**

The following are examples of services not considered to be broadcasting services:

- the provision of information about particular programmes on demand
- the transfer of broadcasting or transmission rights
- the leasing of technical equipment or facilities for use to receive a broadcast
- radio or television programmes distributed via the Internet or similar electronic network (IP streaming), unless they are broadcast simultaneously over traditional radio or television networks
