NOTES

Converted Foreign-Registered Vehicle

A vehicle owner must present the **Declaration of Conversion** and related **Suitably Qualified Individual declaration** to the NCTS when declaring a vehicle of this type for registration.

- Please see www.ncts.ie for documents which must be brought to the NCTS when presenting a vehicle for registration.
- In addition, the total cost of conversion in Euros including VAT must be supported with a list of invoices / receipts showing dates and amounts.

Converted Irish-Registered Vehicle

Declaration To Revenue Is Not Required In Most Cases

- Declaration is not required if the Vehicle Registration Certificate at item J1 (VRT vehicle category) shows "A".
- Declaration is only required if the Vehicle Registration Certificate at J1 shows "B" or "C" or "D" or is blank, and:
 - (1) seating positions have been added and the new total including the driver is nine seating positions or less;
 - (2) had ten seating positions or more, seating positions have been removed and the new total including the driver is nine seating positions or less;
 - (3) converted to motor caravan; declaration is not required however if registered in Ireland as a car or MPV or other EU category M1 / Revenue VRT Category A vehicle - see Vehicle Conversion details below.

Only if (1), (2) or (3) above is the case, the vehicle owner must submit the **Declaration of Conversion and the related Suitably Qualified Individual declaration**, and other supporting documents to: Revenue's MyEnquiries portal.

If you are not able to access Revenue's online resources and submit your application through Revenue's MyEnquiries please send your application in a FREEPOST envelope to:

The National VRT Service, Revenue Commissioners, Anne Street, Wexford, Y35 E29K.

Declarations should be posted together with the following Supporting Documents:

- a copy of the Vehicle Registration Certificate (both sides),
- invoice(s) showing the costs of conversion,
- where a vehicle is a Category A vehicle, or is being converted to a Category A vehicle evidence of NOx must be presented, and
- in the case of a Motor Caravan, photographs showing the full interior, at least one of which should be taken from the front of the living area looking rearward and one from the rear of the living areas looking forward such that they provide a good overview of the layout of the living accommodation. At least three photographs should be of the exterior one of which also includes the registration plate of the vehicle. A maximum of 15 photographs in total should be submitted.
