Number:	Ref: 14/2025
Subject:	NCTS-P6
Who should read:	All those involved in Transit Procedures and in the submission of Transit Declarations
Related Notification:	None
Issued by:	eCustoms Helpdesk
Queries to:	UCCITDev@revenue.ie
Issue Date:	29 July 2025

1. Introduction

The deployment window for NCTS-P6 started on 1 March 2025 and will end on 1 September 2025. During this window, all National Authorities (NA) of the EU and the contracting parties of the Common Transit Convention (CTC) are required to be ready for NCTS-P6.

As IE is an [Optout](#) NA for NCTS-P6, we will make internal changes to our current NCTS-P5 system to ensure we are aligned with NCTS-P6 from 01 September 2025. Therefore, there will be no changes for our traders and software companies at this time.

To ensure continued full compatibility, we will update our NCTS system to the latest EU specifications (DDNTA 6.4.1-v1.00) on 24 March 2026. We will publish NCTS-P6 trader specification documentation, including XSDs, at least six months in advance of this date.

Key dates for upgrade of NCTS system in March 2026 are as follows:

- Trader Specifications published – by 24 September 2025
- Public Interface Testing (PIT) available to software developers – by 24 September 2025
- Go Live – 24 March 2026
