| Issue Date:           | <b>01 October 2026</b>                                                                                       |

### 1. Introduction

Revenue have upgraded the existing AIS V1 to AIS V2. This upgrade happened in two stages:

- Stage 1: Introduction of CCI Phase 1 and 2. This was deployed on 31 December 2025.
- Stage 2: Introduction of a new data set and new messages (aligned to revised Annex B of UCC) deployed on 15 September 2026.

Revenue will make some minor updates to AIS V2 on 01 October. These changes implement some system improvements and align the system with latest EU specifications for CCI. A list of the changes can be found below along with a link to the updated trader specifications.

### 2. Publication of trader specifications

Updated trader specifications for AIS V2/CCI as described below are now published on the [Revenue Website](#).

- AIS V2 and CCI Trader Guide
- AIS V2 and CCI Message Exchange
- AIS V2 and CCI Business Rules and Conditions
- AIS V2 and CCI Code List
- AIS V2 and CCI Message Structure
- AIS V2 and CCI Schemas
- AIS V2 and CCI PCI Business Rules and Conditions

### **3. Updates to Business Rules**

Rules Updated: BR4176, BR5153, BR5154, CX1010, CXIC13, CXIC17, CXIC18, C0632

Rules Removed: BR11121, BR3005, BR3013, BR3241

Rules Added: BR9113, BR9114

### **4. Update to XSDs**

There was an update to the schema file “STypes.xsd”. The elements which had their patterns updated were:

Local Reference Number (LRN)

Unique Consignment Reference (UCR)

TaxRateContentType

CRCContentType

TaxRateContentType

Local Reference Number (LRN) and the Unique Consignment Reference (UCR) now allow special characters to be used.

### **5. Updates impacting Centralised Clearance (CCI) only**

A number of updates have also been implemented for CCI specific declarations to align with latest EU specifications.

#### **Business rules updated:**

C0853, C0646, C0616, R0432, C0848, C0677, C0628, G0921

#### **Rules Converted into Guidelines:**

R0877, R0879, R0884

### **6. Public Interface Testing (PIT)**

Public Interface Testing (PIT) is currently available for AIS V2 and CCI. PIT Specification document is now published on the [Revenue website](#).

### **7. Further information**
